University of Pretoria Yearbook 2018

MSc Applied Science Industrial Systems (12253060)

Minimum duration of study	1 year
Total credits	180

Programme information

The MSc (Applied Science) degree is conferred by the same departments as the BScHons (Applied Science) degree.

A minimum of 128 credits is required to obtain the MSc degree. Either a mini-dissertation (64 credits) and coursework (64 credits) or a dissertation (128 credits) is included in the programme.

Unless the Dean, on recommendation of the relevant head of department, decides otherwise, the master's degree is conferred on the basis of examinations of coursework and a mini-dissertation or a dissertation (including an examination on the dissertation).

Admission requirements

Subject to the stipulations of Regulation G.54 an appropriate BScHons or equivalent degree is required for admission.
