From courtroom to boardroom — UPdate and UPgrade with a postgraduate qualification from **TuksLaw**

A postgraduate qualification in law facilitates critical thought, develops legal research skills, leads to a deeper understanding of the nature of law, of legal reasoning, of legal systems and legal institutions. It enhances specialisation in a particular field. It can boost your earning potential, change your career track and make you a more competitive force in the legal profession.

The **Faculty of Law** at the **University of Pretoria** offers a wide variety of postgraduate programmes on master's and doctoral level.

TuksLaw is widely recognised as a leader in the field of postgraduate programmes. The LLM and LLD programmes presented by the Faculty enable students to specialise in their chosen fields by engaging with experts at an advanced level.
