DEPARTMENT OF MATHEMATICS AND APPLIED MATHEMATICS HONOURS STUDENTS: 2024

To all Honours students (new and current) in the Department of Mathematics and Applied Mathematics who will be registering for one of the following degrees:

- BSc (Hons) (Mathematics)
- BSc (Hons) (Applied Mathematics)
- BSc (Hons) (Mathematics of Finance)
- BSc (Hons) (Financial Engineering)

There will be a first Honours meeting on Friday 16 February 2024 at 17h00 in Maths 2-1.

1. LECTURES

Lectures commence from Monday 19 February 2024.

2. REGISTRATION

Registration is done **online**.

Students who start with a new degree must complete the contract on the UP Student Portal (Student Centre) before the online registration can take place.

AN INFORMAL REGISTRATION GUIDELINE

Step 1 Access the contract on your Student Centre (on the UP Portal).

The Student Service Centre must approve the contract, which may take some time.

Step 2 Pay your registration fee (bank details are on the UP web).

International students should consult the International Office for any additional requirements.

Step 3 Register online

Please register for the modules you plan to take in both semesters.

If you struggle to register for some second semester modules that require a first semester honours prerequisite, you may contact the NAS Faculty for assistance or wait and register for the module just before the start of the second semester once you have successfully completed the prerequisite first semester module(s).

Queries regarding the contract and any other technical matters about the registration process should be done at the Faculty Administration at the Agricultural Building or at the Client Service Centre.
