

**SHSPH FINAL Timetable 2018 Version 4 Dated 11th January 2018**

In January 2017 a number of new module codes became active for some (not all) modules. Students registering for degrees for the first time after Jan 1st 2017, and who need to do these modules **MUST** register with the **NEW** codes. Students who registered for their degrees for the first time before 2017 **MUST** register using the **OLD** codes and **NOT** the new codes. This is very important and if not meticulously adhered to may lead to problems with graduation when that time comes.

**Please take note: Changes to the timetable SINCE THE PREVIOUS VERSION**
