FEELING POSITIVE: Ajax ace Brandon Petersen

AJAX Cape Town believe a competitive pre-season can give them the edge for their PSL opener against Golden Arrows tomorrow (8.15pm).

Urban Warriors goalkeeper Brandon Petersen is upbeat after matches against teams such as Wits, SuperSport United, Maritzburg and Ama-Tuks.

Ajax gave a good account of themselves and the quality of the opposition gives Petersen confidence that the Ikamva span is more than ready.

He tells the club's website: "I think this was one of the better pre-seasons we enjoyed in the last few seasons or so, largely because we had the chance to go to Johannesburg.

"Usually we only play against Wits and then against NFD teams, but over the last month we played against SuperSport United, Maritzburg United.

"I am really looking forward to the first game, I have a good

feeling and I think the guys have done a great job.

"They've put in the hard yards and you could see in the pre-season games that the hard work is starting to pay off.

Momentum

"I think it is important for us not to lose our momentum now, because previously we've started very slow.

"It has been a roller-coaster in the past, but I think - I am positive - that this season we will start with a bang."
