

## Stars appoint coach

FREE State Stars have appointed Sammy Troughton as new coach and believe the well-travelled former Black Aces, University of Pretoria and Stellenbosch FC mentor will help them in their pursuit for stability as they expect yet another fight for survival in the next Premier League season. Troughton, 53, quit his job at National First Division side Stellenbosch last month, having missed out on promotion. The club went through three coaches in one season – French-born coach Denis Lavagne, sacked after three matches; Giovanni Solinas, sent packing after four months and replaced with Serame Letsoaka. –
