

Tuks and Maties in a dream final

IT IS fitting that Tuks will host Maties in what will be a dream Varsity Cup final in Pretoria in two weeks time.

Both Tuks and Maties were made to sweat for their place in the final by Shimlas and UJ, respectively, but in the end the two bitter rivals are set to clash in the showstopper match on the 10th anniversary of the tournament.

Tuks have undoubtedly been the team of the tournament winning their last seven matches but their character was put to the test by the men from Bloemfontein before Tuks eventually emerged 28-21 winners running in four tries to Shimlas three.

Maties booked their place in the final with a hard fought 22-14 win over UJ at the Danie Craven Stadium.

Maties ran in two tries from centre Michal Haznar and a well-engineered five pointer by fullback Craig Barry with flyhalf Stapelberg converting one and slotting over three penalties.
