- 1.2.1. Bipath P, Levay PF, **Viljoen M.** (2016). HIV/AIDS-associated tryptophan depletion as part of the influence of inflammatory mediators on general nutritional status. Atlas of Science, 21 April 2016. Atlas of Science website <http://atlasofscience.org/>

1.3. Authored Chapters and Books:

1.3.1. Departmentally Co-/Edited Books

- 1.3.1.1. Burns J, Roos JL (Eds.). (2016). *Textbook of Psychiatry for Southern Africa, 2nd Ed.* Cape Town: Oxford University Press of South Africa.

- 1.3.1.1.1. **Böhmer MW.** (2016) Chapter 2. Classification in Psychiatry.
- 1.3.1.1.2. **Böhmer MW.** (2016) Chapter 8. Person-centred psychiatry.
- 1.3.1.1.3. **Colin PF.** (2016) Chapter 13. Bipolar Disorders.
- 1.3.1.1.4. **De Wet PH, Kotzé C, Sokudela FB.** (2016) Chapter 35. Legal and ethical aspects of mental health.
- 1.3.1.1.5. **Grobler GP,** Jordaan G. (2016) Chapter 20. Alcohol related disorders.
- 1.3.1.1.6. Jonsson G, Mashaphu S, **Mataboge RH.** (2016) Chapter 33. HIV and mental health.
- 1.3.1.1.7. **Khamker N.** (2016) Chapter 26. Women's mental health.
- 1.3.1.1.8. **Kotzé C,** Nagdee M, Jordaan H. (2016) Chapter 23. Disorders of sexual function, preference and identity.
- 1.3.1.1.9. **Krüger C.** (2016) Chapter 19. Dissociative Disorders.
- 1.3.1.1.10. **Lippi G,** Koen L, **Du Plessis AME.** (2016). Chapter 36. Pharmacological and other treatments in psychiatry.
- 1.3.1.1.11. **Lippi G,** Pretorius J. (2016) Chapter 12. Depressive disorders.
- 1.3.1.1.12. Nagdee M, **Grobler C,** Zingela Z. (2016) Chapter 24. Personality and personality disorder.
- 1.3.1.1.13. Paruk S, **Van der Westhuizen D,** Lasich A. (2016) Chapter 28. Child and adolescent psychiatry 2: The older child and adolescent.
- 1.3.1.1.14. **Pooe JM, Maaroganye KS.** (2016) Chapter 21. Other substance-related and addictive disorders.
- 1.3.1.1.15. **Roos JL,** Burns J. (2016) Chapter 11. Schizophrenia spectrum and other psychotic disorders.
- 1.3.1.1.16. **Van Staden CW.** (2016) Chapter 1. A brief history of psychiatry.
- 1.3.1.1.17. **Van Staden CW,** Madigoe T. (2016) Chapter 15. Acute reactions to adverse life events.

1.3.1.3. Roos V, **Scholtz JG,** Wessels C. (Eds.). (2016). *An Introduction to Forensic Psychology*. 3rd Ed. Pretoria, Verbum Publishers.

- 1.3.1.3.1. **Scholtz JG.** (2016) Chapter 1. Introduction to forensic psychology.
- 1.3.1.3.2. Vorster C. **Scholtz JG.** (2016) Chapter 5. Forensic psychology in criminal cases.

1.3.2. Chapters in externally edited books

1.3.2.1 Mezzich JE, Botbol M, Christodoulou G, Cloninger CR, Salloum I (Eds.). (2016). *Person-Centered Psychiatry*. Heidelberg: Springer Verlag. ISBN 978-3-319-39722-1.

- 1.3.2.1.1. Kirmayer LJ, **Van Staden CW,** Mezzich JE. (2016). Health experience and values in person-centered assessment and diagnosis. (Pages 179-199).
- 1.3.2.1.2. Christodoulou GN, **Van Staden CW,** Jousset D, Schwartz M, Mishara A, Mezzich JE. (2016). Ethics in Person-Centred Psychiatry. (Pages 35-45).

1.3.2.2. Van der Merwe AP, Sinason V. (Eds.). (2016). *Shattered but unbroken: Voices of triumph and testimony*. London: Karnac Books.

- 1.3.2.2.1. **Krüger C.** (2016). Variations in identity alteration – a qualitative study of experiences of psychiatric patients with dissociative identity disorder. (Chapter 6. pp. 133-161).

1.3.3. Books

- 1.3.3.1. Burns J, **Roos JL** (Eds.). (2016). Textbook of Psychiatry for Southern Africa, (2nd Ed.). Cape Town: Oxford University Press of South Africa.
- 1.3.3.2. Roos V, **Scholtz JG,** Wessels C. (Eds.). (2016). An Introduction to Forensic Psychology. (3rd Ed.). Pretoria, Verbum Publishers.

1.4. Popular articles/chapters (eg MIMS, media articles)

- 1.4.1. **Böhmer MW.** (2016). Psychotherapy training for psychiatrists in South Africa. *South African Psychiatry*. 9:24.
- 1.4.2. **Kotzé C.** Cognitive dysfunction in bipolar disorder (BD). *South African Psychiatry*. 7:37. May 2016
- 1.4.3. **Kotzé C.** South African Society of Psychiatrists Northern Gauteng Mini symposium: Trauma and Mental Health. *South African Psychiatry*. 8:24-32. August 2016

1.4.4. **Kotzé C.** Old Age Psychiatry Special Interest Group. *South African Psychiatry*. 8:55. August 2016

1.5. Editorship (full / guest editor)

1.5.1. Accredited Journals:

1.5.1.1. **Van Staden CW.** Editor (in Chief): *South African Journal of Psychiatry*

1.5.2. Non-accredited Journals

1.5.2.1. **Van Staden CW.** Regional Editor (Africa): *International Journal of Person-Centered Medicine*. (Published by Buckingham University Press)

1.5.2.2. **Van Staden CW.** Managing Editor: *Philosophy, Ethics & Humanities in Medicine* (published by BioMed Central)

1.5.2.3. **Van Staden CW.** Senior Editor: *Philosophy Psychiatry Psychology* (published by John Hopkins University Press)

1.6. Technical, Policy Reports and Programmes for Clients

1.6.1. **Du Plessis AME et al.** (2016) Standard treatment guidelines and essential medicines list for South Africa. Hospital level adults. 2015 Fourth Edition. ISBN: 978-1-920031-95-4.

1.6.2. **Grobler GP.** Lead author of the African College of Neuropsychopharmacology (AfCNP) Constitution.

2. Conference presentations

2.1 International conferences

2.1.1. International conferences: Invited papers

2.1.1.1. **Krüger C.** Cultural aspects of dissociative disorders. *XIIth Portuguese National Congress of Psychiatry, Vilamoura, Algarve, Portugal, 10-12 November 2016.*

2.1.1.2. **Sokudela FB.** Panel 3: Service Access Challenges. Access to Forensic Mental Health Services in Africa: Double-Jeopardy and Human Rights Shifts in Post-Colonial Societies 'Kubi-Kuhle'. *African Diaspora Global Mental Health Conference, Century City, Cape Town. 17–18 November 2017.*

2.1.2. International conferences: Oral presentations

2.1.2.1. **Grobler GP.** The lifetime prevalence of psychiatric diagnoses at a tertiary gender reassignment service. *World Psychiatric Association International Congress: "Psychiatry: Integrative Care for the Community". Cape Town, South Africa, 18-22 November 2016.*

2.1.2.2. **Grobler GP.** Disability Assessment and Human Rights. *World Psychiatric Association International Congress: "Psychiatry: Integrative Care for the Community". Cape Town, South Africa, 18-22 November 2016.*

2.1.2.3. **Grobler GP.** NEMLC and TQEDLC – Harmony and accord? *SASOP Academic Weekend. Swakopmund, Namibia. 15 -17 April 2016*

2.1.2.4. **Kotzé C.** Homicide-Suicide: Contributing psychiatric factors based on psychological autopsies *World Psychiatric Association International Congress: "Psychiatry: Integrative Care for the Community", Cape Town, South Africa, 18-22 November 2016.*

2.1.2.5. **Krüger C.** The role of culture in dissociative disorders. *World Psychiatric Association International Congress: "Psychiatry: Integrative Care for the Community", Cape Town, South Africa, 18-22 November 2016.*

2.1.2.6. **Lippi G.** Malingering in the medico-legal psychiatric context. *World Psychiatric Association International Congress: "Psychiatry: Integrative Care for the Community", Cape Town, South Africa, 18-22 November 2016.*

2.1.2.7. **Lippi G.** The use of cyproterone acetate in a forensic psychiatric cohort of male sex offenders & its associations with sexual activity & sexual functioning. *World Psychiatric Association International Congress: "Psychiatry: Integrative Care for the Community", Cape Town, South Africa, 18-22 November 2016.*

- 2.1.2.8. **Sokudela FB.** Integrating forensic mental health into general mental health systems. *World Psychiatric Association International Congress: "Psychiatry: Integrative Care for the Community", Cape Town, South Africa, 18-22 November 2016.*
- 2.1.2.9. **Van Staden CW.** How should we bridge people- and person-centred interests in risk assessments for disease prevention? *The 4th International Congress of the College of Person-Centered Medicine. Nov. 2016, Madrid, Spain.*
- 2.1.2.10. **Van Staden CW.** Teaching a person-centred approach to ethical dilemmas that defies individual liberalism and ethics relativism: The dilemma of treatment non-adherence. *The 4th International Congress of the College of Person-Centered Medicine. Nov. 2016, Madrid, Spain.*
- 2.1.2.11. **Van Staden CW.** Causes in the psychiatric diagnostic classifications: Resolving the contradictions. *World Psychiatric Association International Congress: "Psychiatry: Integrative Care for the Community", Cape Town, South Africa, 18-22 November 2016.*
- 2.1.2.12. **Van Staden CW.** Blind-spots of DSM-5 for its own culture: A person-centred elucidation and remedy. *World Psychiatric Association International Congress: "Psychiatry: Integrative Care for the Community", Cape Town, South Africa, 18-22 November 2016.*
- 2.1.2.13. **Van Staden CW.** Values in the history and future of psychiatry. *World Psychiatric Association International Congress: "Psychiatry: Integrative Care for the Community", Cape Town, South Africa, 18-22 November 2016.*
- 2.1.2.14. **Van Staden CW.** Wittgensteinian Suggestions for Better Understanding (also) in Mental Health. *World Psychiatric Association International Congress: "Psychiatry: Integrative Care for the Community", Cape Town, South Africa, 18-22 November 2016.*
- 2.1.2.15. **Van Staden CW.** Introduction to the debate: This house believes that the concept of culture has outlived its usefulness for psychiatry. *World Psychiatric Association International Congress: "Psychiatry: Integrative Care for the Community", Cape Town, South Africa, 18-22 November 2016..*

2.1.3. International Conferences: Poster Presentations

- 2.1.3.1. **Krüger C.** Variations in identity alteration: Experiences of psychiatric patients with dissociative identity disorder. *33rd Annual Conference of the International Society for the Study of Trauma and Dissociation (ISSTD): "Hand in Hand – Trauma, Dissociation, Attachment", San Francisco, USA, 31 March – 4 April 2016.*
- 2.1.3.2. **Krüger C & Fletcher L.** Predicting a dissociative disorder from type of childhood maltreatment and abuser-abused relational tie. *33rd Annual Conference of the International Society for the Study of Trauma and Dissociation (ISSTD): "Hand in Hand – Trauma, Dissociation, Attachment", San Francisco, USA, 31 March – 4 April 2016.*
- 2.1.3.3. **Roos JL, Malherbe PJ, Ehlers R, Karayiorgou M.** Phenotypic characterisation of schizophrenia patients with linkage to chromosome 13q, 1p and combined 13q & 1p in a founder population. *Schizophrenia International Research Society Conference, Florence, Italy, 2-6 April 2016*
- 2.1.3.4. **Singh RDP.** The assessment and management of a patient with a mental disorder: Comparing the methods of a psychiatrist in training with that of a traditional healer by using an autoethnographic approach in a single case study. *World Psychiatric Association International Congress: "Psychiatry: Integrative Care for the Community", Cape Town, South Africa, 18-22 November 2016.*
- 2.1.3.5. **Van der Westhuizen D.** Measures of child development: Screening and parental psycho-education on perinatal mental health problems and early childhood development delays. *World Psychiatric Association International Congress: "Psychiatry: Integrative Care for the Community", Cape Town, South Africa, 18-22 November 2016.*

2.1.4. Chairperson/Moderator of sessions at international conferences:

- 2.1.4.1. **Grobler GP.** World Psychiatric Association International Congress: Chairperson of pre-congress workshop 2, Conducting Psychiatric Impairment Assessments: Cape Town, South Africa, 18 – 22 November 2016.

- 2.1.4.2. **Grobler GP.** World Psychiatric Association International Congress: Chairperson of oral session 31, Adult ADHD, Eating Disorder, Gender Identity: Cape Town, South Africa, 18 – 22 November 2016.
- 2.1.4.3. **Grobler GP.** World Psychiatric Association International Congress: Chairperson of Invited Lecture 6, Integrating and prioritizing mental health care in in non-communicable disease programmes: Cape Town, South Africa, 18 – 22 November 2016.
- 2.1.4.4. **Grobler GP.** World Psychiatric Association International Congress: Chairperson of oral session 2, Psychotherapies 1: Cape Town, South Africa, 18 – 22 November 2016.
- 2.1.4.5. **Grobler GP.** World Psychiatric Association International Congress: Chairperson of Symposium 43, Seven actions towards a mentally healthy organization: World Economic Forum Global Agenda Council on Mental Health (2014-2016): Cape Town, South Africa, 18 – 22 November 2016.
- 2.1.4.6. **Grobler GP.** World Psychiatric Association International Congress: Chairperson of Invited Lecture 46, A social contract with stakeholders: Ethics and the new “Professionalism”: Cape Town, South Africa, 18 – 22 November 2016.
- 2.1.4.7. **Grobler GP.** World Psychiatric Association International Congress: Chairperson of Parallel Lecture 29, Human induced pluripotent stem cell (hiPSC) enabling technologies in psychiatric molecular genetics: Cape Town, South Africa, 18 – 22 November 2016.
- 2.1.4.8. **Grobler GP.** World Psychiatric Association International Congress: Chairperson of oral session 28, Consultation liaison and student health: Cape Town, South Africa, 18 – 22 November 2016.
- 2.1.4.9. **Grobler GP.** Dr Reddy’s Academic Weekend. Training and Teaching, Swakopmund, Namibia, 15 – 17 April 2016
- 2.1.4.10. **Kotzé C.** Dr Reddy’s Academic Weekend. Training and Teaching, Swakopmund, Namibia, 15 – 17 April 2016.
- 2.1.4.11. **Kotze C.** World Psychiatric Association International Congress: Session Chair: Clinical Training, Measurement, Cape Town, South Africa, 18 – 22 November 2016
- 2.1.4.12. **Kotze C.** World Psychiatric Association International Congress: Session Chair: Occupational Mental Health, Cape Town, South Africa, 18 – 22 November 2016
- 2.1.4.13. **Krüger C.** 33rd Annual Conference of the International Society for the Study of Trauma and Dissociation (ISSTD): “Hand in Hand – Trauma, Dissociation, Attachment”, San Francisco, USA, 31 March – 4 April 2016. Chairperson of session.
- 2.1.4.14. **Krüger C.** World Psychiatric Association International Congress: “Psychiatry: Integrative Care for the Community”, Cape Town, South Africa, 18-22 November 2016. (Chairperson of Session)

2.1.5. Membership of international conference organising committee:

- 2.1.5.1. **Grobler GP.** Member of organising committee. *World Psychiatric Association International Congress: “Psychiatry: Integrative Care for the Community”, Cape Town, South Africa, 18-22 November 2016.*
- 2.1.5.2. **Grobler GP.** Deputy Chairperson of the local scientific committee. *World Psychiatric Association International Congress: “Psychiatry: Integrative Care for the Community”, Cape Town, South Africa, 18-22 November 2016.*
- 2.1.5.3. **Krüger C.** 33rd Annual Conference of the International Society for the Study of Trauma and Dissociation (ISSTD): “Hand in Hand – Trauma, Dissociation, Attachment”, San Francisco, USA, 31 March – 4 April 2016. Member of conference committee.

2.1.6. Attendance at international conferences (Not as presenter):

- 2.1.6.1. **Naidu K.** World Psychiatric Association International Congress: “Psychiatry: Integrative Care for the Community”, Cape Town, South Africa, 18-22 November 2016.

2.2 National (or local) conferences

2.2.1. National (or local) conferences: Keynote speakers

- 2.2.1.1. **Du Plessis AME.** Diagnose van skisofrenie. Geneeskunde Vandag. TLU-SA Gebou, Silverton, Pretoria. 11 March 2016.

2.2.1.2. **Khamker N.** (2016). The impact of reproductive changes on women's mental health. Centurion Lake Hotel, Centurion, Pretoria. 29 July 2016.

2.2.2. National (or local) conferences: Oral presentations

2.2.2.1. **Khamker N.** (2016). Depressive disorders in women. Life Health Care, Roodepoort, Gauteng. February 2016.

2.2.2.2. **Lippi G.** (2016). The use of cyproterone acetate and its effect on sexual activity and sexual functioning of male sex offenders in a forensic psychiatric cohort. University of Pretoria, Faculty of Health Sciences, Faculty Day, 23-24 August 2016.

2.2.3. National (or local) conferences: Poster-oral presentations

2.2.3.1. **Banda MM, Van Staden CW.** Professionalism of doctors as perceived by doctors, patients and allied health workers of Weskoppies Hospital. University of Pretoria, Faculty of Health Sciences, Faculty Day, 23-24 August 2016.

2.2.3.2. **Ncube RK, Khamker N, Van der Westhuizen D, Fletcher L.** Biological and psychosocial risk factors associated with increased body mass index (BMI) in adolescents receiving psychotropic medication attending a psychiatric outpatients. University of Pretoria, Faculty of Health Sciences, Faculty Day, 23-24 August 2016.

2.2.3.3. **Prinsloo RG, Lippi G, Swanepoel A.** Identifying variables associated with the discharge of male state patients from Weskoppies Hospital. University of Pretoria, Faculty of Health Sciences, Faculty Day, 23-24 August 2016.

2.2.3.4. **Singh RDP, Joubert PM.** The assessment and management of a patient with mental disorder: Comparing the methods of a psychiatrist with that of a traditional healer by using the autoethnographic approach in a single case. University of Pretoria, Faculty of Health Sciences, Faculty Day, 23-24 August 2016.

2.2.4. National (or local) conferences: Posters

2.2.4.1. **Böhmer MW, Krüger C.** Therapeutic relationships between patients and registrars at a psychiatric training hospital: Implications for training. University of Pretoria, Faculty of Health Sciences, Faculty Day, 23-24 August 2016.

2.2.4.2. **Coetzee JC, Lippi G.** Rape victim assessment: Findings by psychiatrists and psychologists at Weskoppies Hospital. University of Pretoria, Faculty of Health Sciences, Faculty Day, 23-24 August 2016.

2.2.4.3. **Krüger C.** Variations in identity alteration: Experiences of psychiatric patients with dissociative identity disorder. University of Pretoria, Faculty of Health Sciences, Faculty Day, 23-24 August 2016.

2.2.4.4. **Krüger C, Fletcher L.** Predicting a dissociative disorder from type of childhood maltreatment and abuser-abused relational tie. University of Pretoria, Faculty of Health Sciences, Faculty Day, 23-24 August 2016.

2.2.4.5. **Roos JL, Malherbe PJ, Ehlers R, Karayiorgou M.** Phenotypic characterisation of schizophrenia patients with linkage to chromosome 13q, 1p and combined 13q & 1p in a founder population. University of Pretoria, Faculty of Health Sciences, Faculty Day, 23-24 August 2016.

2.2.4.6. **Van der Westhuizen D, Sundarlall R, Fletcher L.** The functioning and behaviour of biological parents of children diagnosed with attention-deficit/hyperactivity disorder, attending the outpatient department at Weskoppies Hospital. University of Pretoria, Faculty of Health Sciences, Faculty Day, 23-24 August 2016.

2.2.4.7. **Van der Westhuizen D.** Irritability Assessment Model (IAM) to monitor irritability in child and adolescent psychiatric disorders. University of Pretoria, Faculty of Health Sciences, Faculty Day, 23-24 August 2016.

2.2.4.8. **Van der Westhuizen D.** Outcome of parent-adolescent training (PAT) in childhood victimisation: Adaptive functioning, psychosocial- and physiological variables. University of Pretoria, Faculty of Health Sciences, Faculty Day, 23-24 August 2016.

2.2.4.9. **Van Heerden BL, Liebenberg WFR, Ehlers R, Du Plessis AME, Roos JL.** Advancing paternal age at birth is associated with poorer social functioning earlier and later in life of schizophrenia patients in a founder population. University of Pretoria, Faculty of Health Sciences, Faculty Day, 23-24 August 2016.

3. Postgraduate Qualifications and Associated Research Projects:

3.1. Masters Degrees

3.1.1. MMed Psychiatry

- 3.1.1.1. **Fourie L.** Clinical and demographic factors associated with sexual behaviour in children with autism spectrum disorders: An analytic study based on questionnaires and school records. *Graduated in April 2016.*
Supervisor: **Dr. C. Kotzé.**
Co-supervisor: **Prof. D. Van der Westhuizen.**
- 3.1.1.2. **Liebenberg WFR.** Advancing paternal age at birth is associated with poorer social functioning earlier and later in life of schizophrenia patients in a founder population. *Graduated in April 2016.*
Supervisor: **Dr. AME. Du Plessis.**
Co-supervisor: **Prof JL. Roos.**
- 3.1.1.3. **Van Heerden BL, Du Plessis AME, Roos JL** Advancing paternal age at birth is associated with poorer social functioning earlier and later in life of schizophrenia patients in a founder population. *Graduated in September 2016.*
Supervisor: **Dr. AME. Du Plessis.**
Co-supervisor: **Prof JL. Roos.**

3.2.2. MPhil

- 3.2.2.1. **Jhazbhay K.** April 2016
- 3.2.2.2. **Maidment A.** April 2016

4. Research achievements (prizes), Recognition and Office Bearer Positions

4.1. Research Achievements and Prizes:

- 4.1.1. **Van Heerden BL, Liebenberg WFR, Ehlers R, Du Plessis AME, Roos JL.** Second Place in the category "Junior Research - Clinical" at Faculty Day 2016. Advancing paternal age at birth is associated with poorer social functioning earlier and later in life of schizophrenia patients in a founder population. University of Pretoria, Faculty of Health Sciences, Faculty Day, 23-24 August 2016.

4.2 Recognition and office bearer positions:

- 4.2.1. **Grobler GP.** Endorsed and Founding Secretary of the African College of Neuropsychopharmacology (AfCNP) 30 July 2016.
- 4.2.2. **Grobler GP.** Served last year of term as immediate past president of SASOP.
- 4.2.3. **Grobler GP.** Ministerial appointment to the National Essential Medicine List Committee. 2016-2018.
- 4.2.4. **Grobler GP.** Ministerial appointment to the Tertiary and Quaternary Essential Medicine List Committee. 2016.
- 4.2.5. **Grobler GP.** Ministerial appointment to the HPCSA Health Committee. 2016.
- 4.2.6. **Kotzé C.** SASOP: Northern Gauteng Subgroup Chair, PubSec Treasurer, Old-Age Psychiatry Special Interest Group Secretary
- 4.2.7. **Krüger C.** Member of the Joint Research Task Force of the International Society for the Study of Trauma and Dissociation (ISSTD) and the European Society for Trauma and Dissociation (ESTD) for developing a strategic research plan for the field of trauma and dissociation.
- 4.2.8. **Krüger C.** NRF Rated researcher; C3 Rating (2013 – 2018).
- 4.2.9. **Krüger C.** Member of the Council of the Colleges of Medicine SA College of Psychiatrists (2015 – 2017).
- 4.2.10. **Lippi G.** Convenor of the Colleges of Medicine SA DMH Examination Committee.
