**1.3. Authored Chapters and Books:****1.3.1. Chapters in Externally Edited Books:**

1.3.1.1. Nadal KL (Ed.). (2017) *The SAGE Encyclopedia of Psychology and Gender*. Thousand Oaks: SAGE.

1.3.1.1.1. Dorahy MJ & **Krüger C.** (2017). Dissociative disorders and gender. In: KL Nadal (Ed.), *The SAGE Encyclopedia of Psychology and Gender*. Print pages: 464-465. Thousand Oaks: SAGE Publications. Print ISBN: 9781483384283; Online ISBN: 9781483384269. DOI:10.4135/9781483384269.n.

#### 1.4. **Published Editorials:**

1.4.1. **Van Staden CW.** (2017). Achievements hitherto and a new editorial team. *South African Journal of Psychiatry*, 23(0), a1145. DOI:10.4102/sajpsychiatry.v23i0.1145.

#### 1.5. **Editorship (full / guest editor):**

##### 1.5.1. **Accredited Journals:**

- 1.5.1.1. **Van Staden CW.** Editor (In-Chief till June; Associate since July): *South African Journal of Psychiatry*.
- 1.5.1.2. **Van Staden CW.** Senior Editor: *Philosophy Psychiatry & Psychology* (now WoS/ISI listed).
- 1.5.1.3. **Van Staden CW.** Managing Editor: *Philosophy, Ethics and Humanities in Medicine*.

##### 1.5.2. **Non-accredited Journals:**

1.5.2.1. **Van Staden CW.** Regional Editor (Africa): *International Journal of Person-Centered Medicine*. (Published by Buckingham University Press).

##### 1.5.3. **Membership of Editorial Boards of Scientific Journals:**

- 1.5.3.1. **Krüger C.** Member of the Editorial Board: *Frontiers in the Psychotherapy of Trauma and Dissociation* (Official clinical journal of the International Society for the Study of Trauma and Dissociation-ISSTD).
- 1.5.3.2. **Roos JL.** Member of the Editorial Board: 2017 to 2020. *South African Journal of Psychiatry*.

#### 1.6. **Technical Reports:**

- 1.6.1. **Lippi G.** (2017). Faculty of Health Sciences, School of Medicine, University of Pretoria, MBChB V, Block 15 (GNK 581), Psychiatry and Social Dysfunction, Block Book.
- 1.6.2. **Kotzé C.** (2017). Report: SASOP Northern Gauteng Mini-symposium: Neuropsychiatry, *South African Psychiatry*.

## 2. **Conference Presentations:**

### 2.1. **International Conferences:**

#### 2.1.1. **International Conferences: Invited Papers:**

- 2.1.1.1. **Grobler GP.** Updates about Bipolar Illnesses treatment options. *UPA & AfCNP Joint Scientific Conference. Silver Springs Hotel, Kampala, Uganda. 18 July 2017.*
- 2.1.1.2. **Van Staden CW.** (Invited plenary) Health, culture and human rights. *The 10<sup>th</sup> Geneva Conference on Person-Centred Medicine. Geneva, Switzerland, May 2017.*
- 2.1.1.3. **Van Staden CW** (Invited plenary) Philosophical considerations on personalized medicine and medicine of the whole person. *5<sup>th</sup> International Conference on Person-centered Medicine. Zagreb, Croatia, Oct 2017.*

#### 2.1.2. **International Conferences: Oral Presentations:**

- 2.1.2.1. **Khamker N.** Psychiatric sequelae and mental health aftercare experiences of women who had a severe life-threatening complication in pregnancy and those with uncomplicated pregnancies: An explorative descriptive study. *World Conference on Women's Mental Health. Dublin, Ireland. 06 – 09 March 2017.*

- 2.1.2.2. **Krüger C.** Problematic borderline traits are not predictive of a dissociative disorder diagnosis. *34<sup>th</sup> Annual Conference of the International Society for the Study of Trauma and Dissociation (ISSTD): "The Ripple Effect: Trauma & Dissociation in the Mainstream"*, Washington, USA, 30 March – 3 April 2017.
- 2.1.2.3. **Krüger C.** Schneiderian first rank symptoms significantly predict a dissociative disorder diagnosis. *34<sup>th</sup> Annual Conference of the International Society for the Study of Trauma and Dissociation (ISSTD): "The Ripple Effect: Trauma & Dissociation in the Mainstream"*, Washington, USA, 30 March – 3 April 2017.
- 2.1.2.4. **Van Staden CW.** Surpassing attributes and circumstances of the person in a person-centered approach. *The 10th Geneva Conference on Person-Centred Medicine. Geneva, Switzerland, May 2017.*
- 2.1.2.5. **Van Staden CW.** Culture, ethics and person-centred healthcare. *The 10th Geneva Conference on Person-Centred Medicine. Geneva, Switzerland, May 2017.*
- 2.1.2.6. **Van Staden CW.** African traditions and the cultural and spiritual framework of cancer care. *5th International Conference on Person-centered Medicine. Zagreb, Croatia, Oct 2017.*
- 2.1.3. International Conferences: Poster Presentations:**
- 2.1.3.1. **Eksteen H.** Stigmatisation towards the mentally ill: Perceptions of psychiatrists, pre-clinical and post-clinical rotation medical students. *World Congress of Mental Health, The Ashok, New Delhi, India. 02 - 15 November 2017.*
- 2.1.3.2. **Van der Westhuizen D.** Is heart rate variability a reliable indicator of parent-adolescent-therapy outcome? *IMFAR SAACAPAP, Spier Estate, Stellenbosch, Western Cape. 07 – 09 September 2017.*
- 2.1.4. Chairperson/Moderator of Sessions at international Conferences:**
- 2.1.4.1. **Krüger C.** 34<sup>th</sup> Annual Conference of the International Society for the Study of Trauma and Dissociation (ISSTD): "The Ripple Effect: Trauma & Dissociation in the Mainstream", Washington, USA, 30 March – 3 April 2017. Chairperson of session.
- 2.1.5. Membership of International Conference Organising Committee:**
- 2.1.5.1. **Krüger C.** 34<sup>th</sup> Annual Conference of the International Society for the Study of Trauma and Dissociation (ISSTD): "The Ripple Effect: Trauma & Dissociation in the Mainstream", Washington, USA, 30 March – 3 April 2017.
- 2.1.6. Attendance at International Conferences (Not as presenter):**
- 2.1.6.1. **Grobler GP.** 30<sup>th</sup> ECNP Congress, Paris, France. 02 – 05 September 2017.
- 2.2. National (or local) Conferences:**
- 2.2.1. National (or local) Conferences: Keynote Speakers:**
- 2.2.1.1. **Grobler GP.** Depression and inflammation - The brain on fire. *Scientific Session 2, SASOP and Dr Reddy's Laboratory Academic Weekend, Mount Nelson Hotel, Cape Town, 9-11 June 2017.*
- 2.2.1.2. **Van der Westhuizen D.** Paediatric Bipolar Disorder: Diagnostic and treatment challenges. *Sanofi Paediatric Symposium. Midrand Johannesburg. 16 October 2017 2017.*
- 2.2.1.3. **Van Staden CW.** What makes for a good review of the ethics of a research study? *Research Ethics Committee of the Faculty of Theology, University of Pretoria, May 2017.*
- 2.2.1.4. **Van Staden CW.** Informed Consent: Incapacity and complexity owing to mental disorder. *Lundbeck Institute for Psychiatry, Muldersdrift, 2017.*
- 2.2.2. National (or local) Conferences: Invited Papers:**
- 2.2.2.1. **Sokudela FB.** Human Rights & Sexual Offending in the SA Context. Forensic mental health conference. *Department of Psychiatry. University of Cape Town, Valkenberg hospital. Cape Town. 5-6 October 2017.*

### 2.2.3. National (or local) Conferences: Oral Presentations:

- 2.2.3.1. **Lippi G.** The psychiatric disability guideline. *Biological Psychiatry Congress. Cape Town. 14-17 September 2017.*
- 2.2.3.2. Grobler C, **Grobler GP**, Korb FA, **Lippi G.** Guidelines to the Assessment of Psychiatric Impairment and Management of Disability Claims, Third Edition, Issued by the South African Society of Psychiatrists, Supported by the Association for Savings and Investment South Africa (ASISA). *Biological Psychiatry Congress. Cape Town. 14-17 September 2017.*
- 2.2.3.3. **Grobler GP.** Anatomical and psychological controversies in dealing with intersex child or adolescent. Controversies and problems in Surgery. *Congress of the University of Pretoria. 7 October 2017.*
- 2.2.3.4. **Kotzé C.** New developments in the treatment of Alzheimer's disease: False hope or reason for optimism. *Biological Psychiatry Congress. Cape Town. 14-17 September 2017.*
- 2.2.3.5. **Khamker N.** Psychiatric sequelae and mental health aftercare experiences of women who have had a life-threatening event during pregnancy and those who have had uncomplicated pregnancies: An explorative-descriptive study – An update. *Biological Psychiatry Congress. Cape Town. 14-17 September 2017.*
- 2.2.3.6. **Lippi G.** What can we learn from pharmacotherapy in forensic psychiatric practice? *Biological Psychiatry Congress. Cape Town. 14-17 September 2017.*

### 2.2.4. National (or local) Conferences: Poster-oral Presentations:

- 2.2.4.1. **Hattingh R, Joubert PM.** What do South African patients suffering from a mental illness think about being referred from a tertiary to a primary health care facility? *University of Pretoria, Faculty of Health Sciences, Faculty Day, 22-23 August 2017.* (Submitted but not accepted due to space constraints).
- 2.2.4.2. **Khamker N, Roos JL.** Psychiatric sequelae and mental health aftercare experiences of women who have had a life threatening event during pregnancy and those who have had uncomplicated pregnancies: An explorative-descriptive study. *University of Pretoria, Faculty of Health Sciences, Faculty Day, 22-23 August 2017.*
- 2.2.4.3. **Netshilema TC, Khamker N, Sokudela FB.** Electroconvulsive therapy: Knowledge of and attitudes between various groups of mental health professionals at Weskoppies Hospital, South Africa. *University of Pretoria, Faculty of Health Sciences, Faculty Day, 22-23 August 2017.*
- 2.2.4.4. **Paul NE, Lotter CB, Van Staden CW.** Patients' reflections on a course of music therapy following a major depressive episode or an acute phase of schizophrenia spectrum disorder. *University of Pretoria, Faculty of Health Sciences, Faculty Day, 22-23 August 2017.*
- 2.2.4.5. **Pearton T, Van Staden CW.** Religious content yielded by the standard and an adapted Cultural Formulation Interview among patients suffering from a current major depressive episode. *University of Pretoria, Faculty of Health Sciences, Faculty Day, 22-23 August 2017.* (Accepted but changed to Poster due to unavailability of author).
- 2.2.4.6. **Sokudela FB.** Integrating forensic mental health into general mental health systems. *University of Pretoria, Faculty of Health Sciences, Faculty Day, 22-23 August 2017.*

### 2.2.5. National (or local) Conferences: Posters:

- 2.2.5.1. Claassen N, **Viljoen M.** Associations between health risk factors and stress-related cynical attitudes towards work "From reactive to proactive in safety and human factors" Thirteenth Ergonomics Society of South Africa Conference (ESSA2017)/Third African Symposium on Human Factors and Aviation Safety (ASHFAS2017)/First ErgoAfrica Conference (ErgoAfrica2017) ESSA/ASHFAS/ErgoAfrica). *Birchwood Hotel and Conference Centre, Johannesburg. 13-15 September 2017.*
- 2.2.5.2. **Eksteen H, Becker PJ, Lippi G.** Stigmatization towards the mentally ill: Perceptions of psychiatrists, pre-clinical and post-clinical rotation medical students. *University of Pretoria, Faculty of Health Sciences, Faculty Day, 22-23 August 2017.* Awarded 2<sup>nd</sup> Place Clinical Poster.
- 2.2.5.3. **Kotzé C, Khamker N, Lippi G, Naidu K, Pooe JM, Sokudela FB, Roos JL.** Psychiatric and other contributing factors in homicide-suicide cases, from North-

- Gauteng, South Africa over a 6-year period. *University of Pretoria, Faculty of Health Sciences, Faculty Day, 22-23 August 2017.*
- 2.2.5.4. **Krüger C.** Possession and other cultural aspects in dissociative disorders. *University of Pretoria, Faculty of Health Sciences, Faculty Day, 22-23 August 2017.*
- 2.2.5.5. **Krüger C.** Problematic borderline traits are not predictive of a dissociative disorder diagnosis. *University of Pretoria, Faculty of Health Sciences, Faculty Day, 22-23 August 2017.* (Submitted but not accepted due to space constraints).
- 2.2.5.6. **Krüger C.** Schneiderian first rank symptoms significantly predict a dissociative disorder diagnosis. *University of Pretoria, Faculty of Health Sciences, Faculty Day, 22-23 August 2017.*
- 2.2.5.7. **Mabaso DJ, Kotzé C.** Awareness and attitudes of psychiatrists and psychiatrists in training in South Africa towards the Cultural Formulation Interview. *University of Pretoria, Faculty of Health Sciences, Faculty Day, 22-23 August 2017.*
- 2.2.5.8. **Van der Westhuizen D, Viljoen M, Claassen N.** Is Heart rate variability a reliable indicator of Parent-Adolescent-Therapy outcome? *University of Pretoria, Faculty of Health Sciences, Faculty Day, 22-23 August 2017.*
- 2.2.5.9. **Van der Westhuizen D.** Measures of child development: screening and parental psycho-education on perinatal mental health problems and early childhood developmental delays. *University of Pretoria, Faculty of Health Sciences, Faculty Day, 22-23 August 2017.*

### 3. Postgraduate Qualifications and Associated Research Projects:

#### 3.1. PhD's:

- 3.1.1. **Khamker N.** Thesis: Psychiatric sequelae and mental health aftercare experiences in women who have had a serious life-threatening event during pregnancy and those who have had uncomplicated pregnancies: Explorative descriptive study.  
Promoter: **Prof JL Roos.**  
Date of first Registration: 11 February 2014.  
Expected date of completion: 10 February 2018.
- 3.1.2. **Maré L.** Thesis: Perspectives of primary caregivers on the disruptive behaviour of children who attend as outpatients at Weskoppies Psychiatric Hospital.  
Promoter: **Prof CW van Staden.**  
Date of first Registration: 11 April 2016.  
Expected date of completion: 10 April 2019.
- 3.1.3. **Naidu K.** Thesis: Symptomatological study of syndromal and undifferentiated anxiety comorbidly to acute phase schizophrenia.  
Promoter: **Prof CW van Staden.**  
Date of first Registration: 12 February 2015.  
Expected date of completion: 11 February 2018.
- 3.1.4. **Sokudela FB.** Thesis: A comparison of psychosocial and psychiatric features of individuals referred by the courts for forensic psychiatric observation and who are found to be mentally incapacitated vs. those found to be mentally capable in relation to an alleged sexual offence.  
Promoter: **Prof JL Roos.**  
Date of first Registration: 26 June 2014.  
Expected date of completion: 1 February 2018 (Submitted and awaiting examiners report)
- 3.1.5. **Swanepoel I.** Thesis: The effects of psychological resilience and vulnerability on the impact of adverse life events on fatigue, motor dysfunction and paraesthesiae in multiple sclerosis.  
Supervisor: **Prof CW van Staden.**  
Date of first Registration: 04 October 2013.  
Expected date of completion: 3 October 2016. Dean approved extension 30 October 2017
- 3.1.6. **Thomas BL.** Thesis: Psychoneuroimmunological correlates of academic performance in University students.  
Supervisor: **Prof M. Viljoen.**  
Date of first Registration: 16 February 2015.  
Expected date of completion: 15 February 2018.

#### 3.2. Masters Degrees:

##### 3.2.1. MMed Psychiatry:

- 3.2.1.1. **Baker N** The challenges faced by mental health care users in a primary care setting: A qualitative study. (Busy with data analysis).  
Supervisor: **Dr. K Naidu.**
- 3.2.1.2. **Banda MM.** Professionalism of doctors as perceived by doctors, patients and allied health workers of Weskoppies Hospital. (A draft has been submitted to South African Journal of Psychiatry for publication. Awaiting feedback from reviewers).  
Supervisor: **Prof CW van Staden.**
- 3.2.1.3. **Chetty S.** (In press) Clinical presentation of HIV infected patients in a psychiatric hospital. (African Journal of Infectious Diseases).  
Supervisor: **Dr. K Naidu.**
- 3.2.1.4. **Dreyer J.** Factors associated with successful completion of a substance rehabilitation programme at a tertiary psychiatric hospital. (Article first draft completed 1 February 2018).  
Supervisor: **Dr JM Pooe.**  
Co-supervisor: **Prof C Krüger.**
- 3.2.1.5. **Eksteen H-C.** (2017). Stigmatization toward the mentally ill: Perceptions of psychiatrists, pre-clinical and post-clinical rotation medical students. (Article published in International Journal of Social Psychiatry).  
Supervisor: **Dr. G Lippi.**
- 3.2.1.6. **Erasmus WP.** Methylphenidate use for neurocognitive enhancement: Knowledge and views amongst medical students. (Busy writing article).  
Supervisor: **Dr. C Kotzé.**
- 3.2.1.7. **Hattingh R.** What do Weskoppies Hospital Outpatients think about being Down-Referred to a Primary Health Care setting: A Qualitative Study (1<sup>st</sup> draft of article completed).  
Supervisor: **Prof PM Joubert.**
- 3.2.1.8. **Ives K.** Medical student's perceptions of their career preparedness after their clinical rotation in psychiatry. (Busy with data analysis).  
Supervisor: **Dr. G Lippi.**  
Co-supervisor: **Prof C Krüger.**
- 3.2.1.9. **Mabaso DJ.** The DSM5 cultural formulation interview: Assessing and comparing the attitudes of psychiatrists in South Africa towards its implementation on the management of mental health conditions. (Article rejected by Journal of Transcultural Psychiatry. Busy rewriting article).  
Supervisor: **Dr C Kotzé.**
- 3.2.1.10. **Madyibi NR.** The Content of Grandiose and Persecutory Delusions in schizophrenia patients.(Working on protocol).  
Supervisor: **Dr K Naidu.**
- 3.2.1.11. **Makgobe KE.** A comparison of clinical profiles of abused versus non-abused adolescents with psychiatric disorders at outpatients department, Weskoppies Hospital. *Graduated in April 2017.* (Being revised for re-submission).  
Supervisor: **Dr. JM. Pooe.**  
Co-supervisor: **Prof D. Van der Westhuizen.**
- 3.2.1.12. **Mchunu HM.** The evaluation of person-centeredness of psychiatric services evaluated at Weskoppies Hospital on the person centered index. (Responding to Ethics Committee queries).  
Supervisor: **Prof CW van Staden.**
- 3.2.1.13. **Mohangi Y.** Comparing the responses of psychiatric adolescent outpatients and their caregivers using the Strengths and Difficulties Questionnaire. (Busy with data analysis).  
Supervisor: **Dr. TG Magagula.**  
Co-supervisor: **Prof D van der Westhuizen.**
- 3.2.1.14. **Mohapi-Mathabatha G.** Bullying among childhood adolescent outpatients at Weskoppies Hospital. (Working on protocol).  
Supervisor: **Prof D van der Westhuizen.**
- 3.2.1.15. **Morwe MN.** Attitudes of staff groups in Weskoppies Psychiatric Hospital towards substances and substance users. (Busy with data collection).  
Supervisor: **Dr N Khamker.**  
Co-supervisor: **Dr JM Pooe.**
- 3.2.1.16. **Ncube KG.** (2017). Biological and psychosocial factors associated with body mass index (BMI) in adolescents receiving psychotropic medication attending a psychiatric outpatients. *Graduated in April 2017.* (Article published in SAJP).  
Supervisor: **Prof D van der Westhuizen.**  
Co-supervisor: **Dr N Khamker.**

- 3.2.1.17. **Negus NH.** Health care workers' understanding of mindfulness: a qualitative study after a six-week training course at Weskoppies Psychiatric Hospital. (Data collection complete).  
Supervisor: **Dr GP Grobler.**
- 3.2.1.18. **Netshilema TC.** Mental Health Professionals' attitudes towards and knowledge of electroconvulsive therapy at Weskoppies Hospital, South Africa. (Preparing for submission to journal post language editing).  
Supervisor: **Dr N. Khamker.**  
Co-supervisor: **Prof FB Sokudela.**
- 3.2.1.19. **Paul NE.** Patients' reflections on a course of music therapy following a major depressive episode or an acute phase of schizophrenia spectrum disorder. (Article 1<sup>st</sup> draft completed 1 February 2018).  
Supervisor: **Prof CW van Staden.**
- 3.2.1.20. **Pearton T.** Religious and spiritual content afforded by the cultural formulation interview (adapted and not adapted) among patients suffering from a major depressive episode. (Article 1<sup>st</sup> draft completed 1 November 2017).  
Supervisor: **Prof CW van Staden.**
- 3.2.1.21. **Prinsloo RG.** (2017). Identifying variables associated with the discharge of male state patients from Weskoppies Hospital: A comparative study. *Graduated in April 2017.* (Article published in SAJP).  
Supervisor: **Dr G Lippi.**
- 3.2.1.22. **Raphalalani S.** Dignity related complaints and their associated factors received by the complaints committee at Weskoppies Psychiatric Hospital. (Busy with data analysis).  
Supervisor: **Prof C Krüger.**
- 3.2.1.23. **Ras N.** Patient problems seen at Pretoria crisis centres: A qualitative study.  
Supervisor: **Prof C. Krüger.**
- 3.2.1.24. **Sebake PP.** The work-related stressors experienced by Community Based Care Workers at a primary health centre in Lotus Gardens. (Working on protocol).  
Supervisor: **Dr JM Pooe.**  
Co-supervisor: **Dr N Khamker.**
- 3.2.1.25. **Singh RDP.** The assessment and management of a patient with a mental disorder: Comparing the methods of a psychiatrist in training with that of a traditional healer by using an autoethnographic approach in a single case. (Dissertation sent for marking).  
Supervisor: **Prof PM Joubert.**
- 3.2.1.26. **Tsolekile Dewet Z.** Violent crimes committed by state patients admitted to Weskoppies Psychiatric Hospital between 2005 and 2014: A retrospective descriptive study of crimes, patient and victim profiles. (Busy writing article).  
Supervisor: **Dr C Kotzé.**  
Co-supervisor: **Prof FB Sokudela.**
- 3.2.1.27. **Van der Merwe NJ.** Family history and diagnostic specificity identify sporadic schizoaffective disorder of the bipolar type as a more homogenous schizophrenia subtype for genetic studies. (Awaiting submission to journal).  
Supervisor: **Prof. JL Roos.**

### 3.2.2. MPhil (Philosophy and Ethics of Mental Health):

- 3.2.2.1. **Dr JP Roux** (*cum laude*) Graduated September 2017.
- 3.2.2.2. **Dr U Chhagan** Graduated September 2017.
- 3.2.2.3. **Dr M Welgemoed** Graduated April 2017.

### 3.2.3. MPhil (Forensic Psychiatry):

- 3.2.3.1. **Mazibuko PS.** Completed suicide by psychiatric in-patients at Weskoppies Hospital from 2012 to 2017. A retrospective case-control study. (Preparing protocol).  
Supervisor: **Prof FB Sokudela.**

## 4. Research Achievements (Prizes), Recognition and Office Bearer Positions:

### 4.1. Research Achievements and Prizes:

- 4.1.1. Bipath P, Levay PF, **Viljoen M.** The kynurenine pathway activities in a sub-Saharan HIV/AIDS population. *BMC Infectious Diseases.* 2015, 15:346.

DOI: 10.1186/s12879-015-1087-5. URL: <http://www.biomedcentral.com/1471-2334/15/346>. Indexed in Cureus Journal of Medical Science, 2017.
