National

Poster Title: Differential expression in cattle- and buffalo-derived Theileria parva isolates
Conference: The 42nd Annual Congress of the Parasitological Society of Southern Africa (PARSA) 2013, Parys (North-West Province), South Africa

Poster Title: Possible presence of cattle-derived Theileria parva parasites in South Africa
Conference: The 39th Annual Congress of the Parasitological Society of Southern Africa (PARSA), 2010, Drakensburg (KwaZulu-Natal Province), South Africa

Poster Title: Characterization of South African Theileria parva isolates by PCR-RFLP and sequence analysis of the polymorphic immunodominant molecule (PIM) gene
Conference: The 36th Annual Congress of the Parasitological Society of Southern Africa (PARSA), 2007, Malelane (Mpumalanga Province), South Africa

Award: Best Poster Presentation

Paper Title: Genetic diversity of South African *Theileria parva* isolates

Conference: The 35th Annual Congress of the Parasitological Society of Southern Africa (PARSA), 2006, Windhoek, Namibia

Paper Title: Development of *Theileria parva*-specific Real-time PCR test

Symposium: *Theileria* Molecular Diagnostic tests, 2005, Conference Centre, ARC-Ondersteopoort Veterinary Institute, Pretoria (Gauteng Province), South Africa

Paper Title: Characterization of South African *Theileria parva* isolates

Symposium: *Theileria* Molecular Diagnostic tests, 2005, Conference Centre, ARC-Ondersteopoort Veterinary Institute, Pretoria (Gauteng Province), South Africa

Paper Title: Characterization of South African *Theileria parva* isolates

Conference: The 34th Annual Congress of the Parasitological Society of Southern Africa (PARSA), 2005, Magoebaskloof (Limpopo Province), South Africa

International

Poster Title: Differential expression in cattle- and buffalo-derived *Theileria parva* isolates

Conference: NG*: Applying Next Generation Sequencing Conference, 19-21 August 2013, Providence, RI, USA

Conference: Cold Spring Harbor Asia Conferences: Bioinformatics for Human and Animal genomics, 14-18 November 2011, Suzhou, China

Poster Title: Possible presence of cattle-derived *Theileria parva* parasites in South Africa

Conference: The 13th Association of Institutes for Tropical Veterinary Medicine (AITVM), 23-26 August 2010, Bangkok, Thailand

Poster Title: Diversity of *Theileria parva* in South Africa as shown by PCR-RFLP and sequence analysis of the genes coding for p104 and the polymorphic immunodominant molecule (PIM)

Conference: 22nd World Association for the Advancement of Veterinary Parasitology (WAAVP), 08-13 August 2009, Calgary, Canada

Poster Title: Four p67 genotypes identified in South African *Theileria parva* samples

Conference: VI International Conference on Ticks and Tick-borne Pathogens (TTP-6), 22-26 September 2008, Buenos Aires, Argentina

Paper Title: Development and Evaluation of a real-time PCR test for detection of *Theileria parva* infections in Cape buffalo (*Syncerus caffer*) and cattle

Conference: 13th International Symposium for the World Association for Veterinary Laboratory Diagnosticians (WAVLD), 11-14 November 2007, Melbourne, Australia
**Paper Title:** Genetic diversity of South African *Theileria parva* isolates

**Conference:** 21st World Association for the Advancement of Veterinary Parasitology (WAAVP) Conference, 19-21 August 2007, *Gent, Belgium*

**Poster Title:** Genetic diversity of South African *Theileria parva* isolates

**Workshop:** 2nd European Wildlife Diseases Association Student Chapter Workshop, 23-27 April 2007, *Sithonia, Greece*

**Paper Title:** Genetic diversity of South African *Theileria parva* isolates

**Workshop:** Institute of Tropical Medicine Institutional Strengthening Workshop, November 2006, Institute of Tropical Medicine (ITM), *Antwerp, Belgium*
