- BCom *Business Management*

The BCom (Business Management) degree programme is for students who want to become business leaders and be employed in an organisation or create their own employment. This programme provides a big-picture view of the organisation as a body with separate but interdependent parts and students are taught how all the parts function as a whole.

This degree programme empowers students to develop a passion for business through exposure to South African and international best practices. Students are equipped to solve real-life business problems, use management processes to make decisions to benefit the organisation and know the importance of being innovative within a dynamic business environment.

To excel in this programme, prospective students should be:

- Able to see the big picture
- A creative thinker
- An analytical thinker
- A self-starter
- Able to integrate ideas and concepts
- A systematic organiser and planner

The career perspectives of graduates who complete this degree are vast. They could either join established businesses or start their own.
