- BCom specialising in Business Management

The Bachelor of Commerce specialising in Business Management degree is for students who want to become business leaders and be employed in an organisation, or even create their own employment. This programme provides a big-picture view of the organisation as a body with separate but interdependent parts and students are taught how all the parts function as a whole.

This degree programme empowers students to develop a passion for business through exposure to South African and international best practices. Students are equipped to solve real-life business problems, use management processes to make decisions to benefit the organisation and know the importance of being innovative within a dynamic business environment.

Prospective students who hope to excel in this programme should be:

- Able to see the big picture
- Creative thinkers
- Analytical thinkers
- Self-starters
- Able to integrate ideas and concepts
- Systematic organisers and planners

The career perspectives of graduates who complete this degree are vast. They could either join established businesses or start their own.
