Programme information

This programme focuses on tourism as one of South Africa's largest and fastest growing industries. Students are trained to play an important role in tourism, especially as far as heritage and cultural tourism is concerned. Graduates can follow careers as tour guides, tour operators (entrepreneurs), heritage resource managers, and publicity agents.

Admission requirements

- Candidates who achieved an APS of 30 in Grade 11 and comply with the minimum subject requirements and achievement levels of these study programmes will automatically be granted placement in the study programmes subject to the availability of space. The above-mentioned is not applicable to selection programmes.
- To retain admission learners will be expected to obtain an APS of at least 28 in Grade 12. Prospective students who have already been granted provisional admission in these study programmes but obtained at least an APS of 27 in Grade 12 will be considered by the Admission Committee should space be available. The Admission Committee of the Faculty of Humanities will consider these students once the results of the National Benchmark Test (NBT) are available and depending on the availability of space.
- The Faculty will assess satisfactory performance in the NBT in the light of its commitment to ensure that an appropriate proportion of the applicants will be drawn from the historically disadvantaged category of the population.
- Applicants with an APS of 30 but who do not comply with the subject requirements must write the NBT.
- Life Orientation is excluded when calculating the APS.
