University of Pretoria Yearbook 2016

MBA Modular (07254010)

Duration of study 1 year

Programme information

See General Regulation G.31.

The Dean has the right of authorisation regarding matters not provided for in the General Regulations or the GIBS regulations.

Prescribed modules, LEAD 1 and 2, a compulsory research project (which has to be completed in the final year of study) and a compulsory international tour are required.

The language of tuition for the MBA is English.

In the event of deferral of studies due to extenuating circumstances, a student must complete the degree one year after the graduation of his/her cohort class. Failure to complete the degree within this period will disqualify a student from further registration. Any student who fails more than two core modules will be deregistered from the programme.

Admission requirements

1. A bachelor's degree, or an equivalent qualification is required for admission to the MBA degree studies.
2. A pass in Mathematics at Grade 12-level or another qualification in Mathematics or Statistics or Mathematical Statistics deemed adequate by the Dean of the Institute.
3. Work experience deemed adequate and applicable by the Dean of the Institute.
4. The Dean of the Institute may set additional admission requirements.
5. Candidates will be subjected to a selection process.

Examinations and pass requirements

i. The minimum pass mark for each module is 50%, provided that a subminimum of 45% has been obtained in the examination. The minimum pass mark for the research project is 50%.
ii. A candidate who has failed more than two core modules may not continue his studies for the MBA degree, except with the approval of the Dean of the Institute. Such a student may appeal the decision with the GIBS Academic Committee. If the Academic Committee rules in favour of re-admission of the student for the next academic year due to extenuating circumstances, the student may be granted credits for modules.
iii. Should a candidate fail an elective module, he/she may repeat the elective module or an equivalent as determined by the Dean of the Institute.
iv. Full attendance, and completion and assessment of all requirements, are necessary for the Global module and Business strategy courses.
