## Postgrad Dipl in Dentistry Implantology (11220023)

**Duration of study** 1 year

### Admission requirements

Subject to the stipulations of the General Regulations, the BChD degree or an equivalent qualification is required.

### Other programme-specific information

#### Contact time

The contact time in the major field of study is determined by the head of the department concerned and approved by the Dean. It includes systematic tuition as well as clinical/practical assignments.

### Examinations and pass requirements

The examination in the basic subject and the main field of study may take place every semester. However, only one subject may be written per semester. In order to be admitted to the examination in the main field of study the student must pass the basic subject. A final mark of at least 50% is required to pass.

Subject to exceptions approved by the Dean, on the recommendation of the head of department, a student may not enter for the postgraduate diploma's examination in the same subject more than twice.

### Pass with distinction

The diploma is awarded with distinction to students who obtain at least 75% in both the main field of study and the basic subject.
