Module content

*AGL 310 will be a prerequisite for a number of other modules (eg AGL 751 Advanced archaeological theory) and it is the responsibility of the students intending to continue archaeology to postgraduate level to do this module.

Nature of archaeological theory; critique of various approaches to archaeological theory, debates over the relevance of theory, are some of the major topics to be presented.

The information published here is subject to change and may be amended after the publication of this information. The General Regulations (G Regulations) apply to all faculties of the University of Pretoria. It is expected of students to familiarise themselves well with these regulations as well as with the information contained in the General Rules section. Ignorance concerning these regulations and rules will not be accepted as an excuse for any transgression.
