### Module content

This module offers an overview of the European Union and the main directions of change in Europe are explored from a political-economic perspective. The main elements of study are theoretical aspects of political and economic integration; the development of the "Idea of Europe" with emphasis on the role of seminal thinkers and the main historical forces; the evolution of European integration; a structural-functional analysis of the main institutions of the EU; the main issues confronting the EU; and the EU's development and aid policy towards the ACP countries with special emphasis on the Cotonou Agreement and the TDCA with South Africa.
