Programme information

By virtue of dissertation and examination.

Refer to General Regulations G.30 to G.40 and G.50 to G.54.

Admission requirements

- A BArch Hons degree or an applicable degree in a relevant field (such as urban design, civil engineering, planning, construction, geography, visual arts, sociology, or any other field deemed acceptable by the departmental Postgraduate Committee); or a BArch or equivalent four-year degree NQF level 8 (or NQF level 7 for qualifications obtained before 2009); or a three-year degree with design as major component, NQF level 7 (NQF level 6 for qualifications obtained before 2009) and successfully completed supplementary modules relevant to the study field at honours (700) level to the equivalent of 180 credits as prescribed by the departmental Postgraduate Committee.
- Only candidates with a minimum average of 60% in the highest year of study will be considered. The departmental Postgraduate Committee reserves the right to decide if the applicant is suitable for postgraduate studies based on the academic transcript and required application documentation. The Department only accepts candidates for whom it is able to provide supervision. The applicant must intend to do research in the domain of interior architecture, must determine the research focus area and a potential supervisor and confirm the potential supervisor’s availability (see departmental website for research focus areas, potential supervisors, as well as required application documentation and procedures).

Examinations and pass requirements

After a minimum of one year of registration the student submits a dissertation for examination and has an oral examination of the dissertation in the related field of study.

The Master of Interior Architecture degree is conferred on students obtaining a minimum of 50% for both the dissertation and oral examination.

Research information

General Regulation G.39.12 applies.

Pass with distinction

The Master of Interior Architecture degree is conferred with distinction on students obtaining a minimum of 75% in both the dissertation and the oral examination.

Curriculum: Final year

Minimum credits: 180

Core modules

Dissertation: Interior architecture 890 (INT 890) - Credits: 180.00

The information published here is subject to change and may be amended after the publication of this information. The General Regulations (G Regulations) apply to all faculties of the University of Pretoria. It is expected of students to familiarise themselves well with these regulations as well as with the information contained in the General Rules section. Ignorance concerning these regulations and rules will not be accepted as an excuse for any transgression.
