### Module content

Advanced copy-editing with specialisation in an African language – isiNdebele, isiZulu, Sepedi or Setswana. The module develops and refines language-editing skills further, using a variety of literary and other texts. Students are further familiarised with the grammar rules and current spelling rules of the four African languages concerned, namely isiZulu/isiNdebele/Sepedi or Setswana respectively, and are given ample opportunity to hone their editing skills by applying these rules to unedited texts in these languages.
