Module content

The objective of IOP Professional Ethics module is to broaden your awareness and understanding on ethical principles in relation to the various roles that an IOP will perform and how to apply these standards in the workplace. All professions, including IOPs, are bound by ethical principles to ensure conformance to the standards of moral conduct of our professions and the clients that we serve.

The information published here is subject to change and may be amended after the publication of this information. The [General Regulations \(G Regulations\)](#) apply to all faculties of the University of Pretoria. It is expected of students to familiarise themselves well with these regulations as well as with the information contained in the [General Rules](#) section. Ignorance concerning these regulations and rules will not be accepted as an excuse for any transgression.
