**Contact time** 1 tutorial per week, 3 lectures per week

**Language of tuition** Module is presented in English

**Department** Sociology

**Period of presentation** Semester 2

### Module content

*Culture and religion in the construction of identities: Gender, sexuality and race*

The global proliferation of identities is explored through the lens of social categories of difference. The convergence of ideologies and institutions in the construction of identities at the intersections of gender, sexuality and race is examined with a particular emphasis on modern African identities, drawing on the sub-disciplines of the sociology of religion and cultural sociology.
