MPhil Business Management Supply Chain Management (Coursework) (07255285)

Department	Business Management
Minimum duration of study	1 year
Total credits	180
NQF level	09

Programme information

Supply chain managers oversee some of the most essential business processes affecting the profitability of firms today. These managers are responsible for synchronising the flow of products, information, and funds between their organisations and both their suppliers and customers in a way that adds value for the end consumers of their products.

The programme content focuses on key issues such as the fundamental theory of supply chain management, contemporary issues in supply chain management and strategic management and leadership.

The programme consists of coursework and a research article. The coursework part of the degree programme is offered during the first and second semester of the first year of study and the research article during the second semester. The coursework is presented by means of five contact sessions per module during the first and second semester. Contact block weeks will take place after-hours on a Monday to Thursday evening from 17:30 – 21:00 during the first semester and on a Monday evening from 17:30 – 21:00 during the second semester. Attendance of the contact sessions is compulsory. All lectures, tests and examination sessions will be conducted at the University of Pretoria's main campus in Hatfield. Students have a maximum of two years to complete the MPhil degree but it is advisable to complete the programme in one year.

Admission requirements

1. Relevant honours degree
   or
   relevant postgraduate diploma (PGDip)
2. A cumulative weighted average of at least 60% for the honours degree or postgraduate diploma

Examinations and pass requirements

The pass mark for both a dissertation and a mini-dissertation is 50%. The provisions regarding pass requirements for dissertations, contained in General Regulation G.12.2, apply mutatis mutandis to mini-dissertations. A pass mark of at least 50% is required in the examination of each module.

Research information

Article for publication

A dean may require, before or on submission of a dissertation/mini-dissertation, the submission of a draft article for publication to the supervisor. The draft article should be based on the research that the student has conducted for the dissertation/mini-dissertation and be approved by the supervisor concerned. The supervisor should then have the opportunity to take the paper through all the processes of revision and resubmission as may be necessary and/or appropriate in order to achieve publication.
