Module content

*Closed - only for BDram students

*Students have to pass all components of this module in order to be promoted to the next year level

Basic techniques of acting will be introduced. Aspects of self, other and space will be explored and applied by means of acting exercises, theatre games, improvisation and interpretation of applicable material. The notions of storytelling/narrative/playmaking/construction and interpretation/recreation will be explored.

The module further introduces experiential somatics for the actor and performer. Students will engage with the building blocks of body/voice integration towards the safe, interactive and heightened use of the body and voice in performance. Students will apply these building blocks in discipline-specific skills training and in performance, including acting.

The regulations and rules for the degrees published here are subject to change and may be amended after the publication of this information.

The [General Academic Regulations \(G Regulations\)](#) and [General Student Rules](#) apply to all faculties and registered students of the University, as well as all prospective students who have accepted an offer of a place at the University of Pretoria. On registering for a programme, the student bears the responsibility of ensuring that they familiarise themselves with the General Academic Regulations applicable to their registration, as well as the relevant faculty-specific and programme-specific regulations and information as stipulated in the relevant yearbook. Ignorance concerning these regulations will not be accepted as an excuse for any transgression, or basis for an exception to any of the aforementioned regulations.
