

University of Pretoria Yearbook 2022

PhD (Actuarial Science) (02260772)

Department Actuarial Science

Minimum duration of study 2 years

Total credits 360

NQF level 10

SAQA ID 7385

Programme information

A candidate must complete a thesis in one of several fields in which research is actively being done in the Department.

The programme consists of a thesis. Additional modules (as approved by the postgraduate coordinator) may be required depending on the candidate's background and the scope of the study. The research fields and the names of possible supervisors are available from the department at www.up.ac.za/actuarial.

Admission requirements

1. Research master's degree in Actuarial Science **or** relevant master's degree
2. A CV with contactable references may be required
3. A copy of final master's dissertation may be required
4. An admission interview may be required
5. At least 60% for the research component at master's level

Requirement: Exemption for at least five of the A100- and A200-level subjects of the Actuarial Society of South Africa

Promotion to next study year

The progress of all doctoral candidates is monitored biannually by the supervisor and the postgraduate coordinator. A candidate's study may be terminated if the progress is unsatisfactory or if the candidate is unable to finish his/her studies during the prescribed period.

Minimum credits: 360

Core modules

Thesis: [Actuarial science 990](#) (AKW 990) - Credits: 360.00

The regulations and rules for the degrees published here are subject to change and may be amended after the publication of this information.

The [General Academic Regulations \(G Regulations\)](#) and [General Student Rules](#) apply to all faculties and registered students of the University, as well as all prospective students who have accepted an offer of a place at the University of Pretoria. On registering for a programme, the student bears the responsibility of ensuring that they familiarise themselves with the General Academic Regulations applicable to their registration, as well as the relevant faculty-specific and programme-specific regulations and information as stipulated in the relevant yearbook. Ignorance concerning these regulations will not be accepted as an excuse for any transgression, or basis for an exception to any of the aforementioned regulations.
