

University of Pretoria Yearbook 2022

MDietetics (Coursework) (10259004)

Department Human Nutrition

Minimum duration of study 2 years

Total credits 200

NQF level 09

Programme information

For the coursework component, a student has to take compulsory modules to a total of 40 credits and choose modules (from elective modules) to a total of 20 credits. Any specific module is offered on condition that a minimum number of students is registered for the module, as determined by the relevant head of department and the Dean. Students must consult the relevant head of department in order to compile a meaningful programme, as well as for information on the syllabi of the modules. The departmental postgraduate brochure should also be consulted.

Also consult General Academic Regulations G30-G41.

Admission requirements

1. Bachelor's degree in Dietetics **or** Human Nutrition **or** relevant bachelor's degree
2. Registration as a dietician with the Health Professions Council of South Africa (HPCSA)
3. At least one year of full-time practical experience

Additional requirements

(TNM 802) Applied Research Methodology 802 or an equivalent module must be attended satisfactorily.

Examinations and pass requirements

A final mark of at least 50% is required to pass in the coursework. A minimum of 50% is required to pass in the essay.

Pass with distinction

The degree is conferred with distinction on a student who has obtained an average of at least 75% in the coursework as well as a minimum of 75% in the essay.

The regulations and rules for the degrees published here are subject to change and may be amended after the publication of this information.

The [General Academic Regulations \(G Regulations\)](#) and [General Student Rules](#) apply to all faculties and registered students of the University, as well as all prospective students who have accepted an offer of a place at the University of Pretoria. On registering for a programme, the student bears the responsibility of ensuring that they familiarise themselves with the General Academic Regulations applicable to their registration, as well as the relevant faculty-specific and programme-specific regulations and information as stipulated in the relevant yearbook. Ignorance concerning these regulations will not be accepted as an excuse for any transgression, or basis for an exception to any of the aforementioned regulations.
