

University of Pretoria Yearbook 2023

MAgric (Rural Development) (02256003)

Department	Agricultural Economics, Extension and Rural Development
Minimum duration of study	2 years
Total credits	180
NQF level	09

Programme information

Renewal of registration

As long as progress is satisfactory, renewal of the registration of a master's student will be accepted for the second year of the study. Registration for a third and subsequent years will only take place when the Student Administration of the Faculty receives a written motivation which is supported by the relevant head of department and Postgraduate Studies Committee.

Curriculum

Subject to programme-specific requirements, the curriculum for the MAgric degree consists of the following:

- A dissertation;
- Attendance of the Department's Research Methods module and
- Presentation of a research proposal during the first year of registration
- Further study in the major subject/s, augmented by ancillary modules prescribed by the Postgraduate Studies Committee, on the recommendation of the head of department. Such ancillary modules may be taken simultaneously with the major subject/s. Candidates in possession of the BScAgricHons degree may be exempted from additional ancillary modules.

Admission requirements

- BAgricHons degree (or equivalent) **or** BInstAgrarHons degree (or equivalent) **or** relevant honours degree

Note: Additional modules may be required in order to reach the desired level of competency

Curriculum: Year 1

Minimum credits: 90

Core credits: 90

Core modules

Food policy 833 (LEK 833)

Module credits 15.00

NQF Level 09

Prerequisites Registration for at least a master's degree

Contact time 1 lecture per week for 12 wks

Language of tuition Module is presented in English

Department Agricultural Economics Extension and Rural Develo
