## Module content

\*Closed – only for BDram students

\*Students have to pass all components of this module in order to be promoted to the next year level

Live performance and digital performance

This module employs the notions of making, appreciating and performing to explore selected modes of contemporary live theatrical performance as well as performance for the digital media.

This module further offers discipline specific skills training in relation to selected voice and body movement pedagogies in the context of making, appreciating and performing. Students need to select two of the four available skills training options (physical theatre/dance; singing voice, theatre voice, movement for the actor) in consultation with lecturers.

This module consolidates the conceptual, vocal and physical skills acquired in the previous two years and focuses on the application of heightened physicality and vocality in performance.

NOTE:

Students will have to align their TNP 310 praxis choices with their choices within each third-year level theory module. Choices within TNP 310 are:

- Performance (Acting)
- Theatre voice
- Singing
- Movement for the actor
- Physical theatre and dance
- Digital media
- Directing/Theatre making
- Writing for stage and film
- Music theatre (musical theatre and cabaret)
- Radio
- Camera acting

Students who want to proceed to the Drama department's honours programme need to consider the following:

- DRA 702 (Performance studies) needs Performance (Acting), Theatre voice and Movement for the actor as entry level requirements
- DRA 705 (Physical theatre) needs Performance (Acting), Physical theatre and Theatre voice as entry level requirements
- Musical theatre needs Physical theatre and dance, Performance (Acting) and Singing as entry level requirements
- Cabaret needs Performance (Acting), Movement for the actor and Singing. (TNT 211 and TNT 311 [Directing] will be favourable)

#### **University of Pretoria Programme Qualification Mix (PQM) verification project**

The higher education sector has undergone an extensive alignment to the Higher Education Qualification Sub-Framework (HEQSF) across all institutions in South Africa. In order to comply with the HEQSF, all institutions are legally required to participate in a national initiative led by regulatory bodies such as the Department of Higher Education and Training (DHET), the Council on Higher Education (CHE), and the South African Qualifications Authority (SAQA). The University of Pretoria is presently engaged in an ongoing effort to align its qualifications and programmes with the HEQSF criteria. Current and prospective students should take note that changes to UP qualification and programme names, may occur as a result of the HEQSF initiative. Students are advised to contact their faculties if they have any questions.
