

Columbus Stainless, founded in 1966 and part of the Multinational Acerinox Group, is proud to be the only producer of stainless steel on the African Continent. Durable and 100% recyclable, stainless steel has boundless potential as the preferred metal for the future, and Columbus remains dedicated to playing a significant role in South Africa's growth and development.

To remain one of the top stainless steel producers, we recruit excellent calibre people and are committed to training and developing them to reach their full potential and share in our successes.

### **MECHANICAL ENGINEER IN TRAINING OPPORTUNITIES FOR 2024**

Columbus offers the opportunity to develop through the practical application of the theoretical principles you have learned about in a diverse manufacturing environment. Our structured 24 month training program will give you exposure to:

- The various stages of stainless steel production – melting, hot and cold rolling and related processes.
- Partnering the production team to optimize throughput; ensuring consistent processing, and solving technical, system and metallurgical problems.

In order to be eligible for this opportunity you need to have completed all study modules of:

#### **B. Eng. /B.Sc.: Mechanical Engineering**

We offer a competitive remuneration package plus medical aid, retirement fund, subsidised canteen meals, production incentive etc etc. You've worked hard and want to reap the rewards - there's no time like the present, so contact us right now!

Register your comprehensive **CV and full academic record** on:

**"Metallurgy/Material Sciences"**

**At**

[The Columbus Website/People/Vacancies](#) or <https://columbus.mcidirecthire.com/external/currentopportunities>

**CLOSING DATE: 15 August 2023**

**Please note:** Columbus, its employees or representatives never ask for a fee from bursary/training seekers. Any such requests are fraudulent. Applications not meeting the criteria will not be considered. The appointment of a candidate is at the sole discretion of Columbus Stainless, taking into account factors considered relevant, including but not limited to our Employment Equity goals. Correspondence will only be conducted with short-listed candidates. Should you not hear from us within 2 weeks of the closing date, please consider your application unsuccessful. While we have made every attempt to ensure that the details contained in this advertisement are correct, any inadvertent error or omission will not prejudice the rights or obligations of Columbus Stainless and will be rectified immediately upon discovery. Please note that by applying for this opportunity, you give Columbus Stainless consent to process your personal information in terms of the POPIA. Columbus Stainless will treat your personal information with confidentiality, for the purpose it is intended for and in compliance with POPIA.
