

Columbus Stainless, founded in 1966 and part of the Multinational Acerinox Group, is proud to be the only producer of stainless steel on the African Continent. Durable and 100% recyclable, stainless steel has boundless potential as the preferred metal for the future, and Columbus remains dedicated to playing a significant role in South Africa's growth and development.

To remain one of the top stainless steel producers, we recruit excellent calibre people and are committed to training and developing them to reach their full potential and share in our successes.
