

# Unlock your future at an **industry-leading** coal business

We're offering bursary opportunities to top-performing students who are passionate about their area of study.

If that's you, and you qualify, then you're the talent Thungela is looking for, and we can offer financial assistance and practical experience to take you to the next level.

**Visit [www.careerwise.co.za](http://www.careerwise.co.za) to register and apply.**

Please use promo code **THUNGELA2025**. If you've already applied on the CareerWise website, your application will be automatically considered.

**Closing date: 13 September 2024**

Appointments will be made in line with Employment Equity targets.

Applicants must be  
South African citizens.

1st, 2nd or 3rd  
year students.

**Must study either:** Mining Engineering, Mechanical or Electrical Engineering, Metallurgy or Chemical Engineering, Industrial Engineering, Mine Surveying or Environmental Science.
