

# JDK BENEFIT TRUST

## WHAT IS THE JDK BENEFIT TRUST?

The JDK Benefit Trust, established in 2016, was created to carry out public benefit activities in line with its donor's operations to support Black people in South Africa. Our mission is to address the socio-economic needs of our shareholders through education. We believe in paying it forward and sharing the responsibility of making a positive impact on individuals' lives through education.

### ELIGIBILITY CRITERIA:

- South African Citizen
- Aged 17 to 21
- In Matric or completed your 1st or 2nd year of studies
- Must be a Previously Disadvantaged Individual (PDI)
- Self-motivated and eager to succeed

Black people studying in the following fields can benefit from the JDK Benefit Trust at any recognised tertiary institution in South Africa:

- Accounting
- Economics
- Human Resources
- Marketing
- Health and Safety
- Logistics
- Management Sciences

## APPLICATION PROCESS

(To be considered by our Trustees, please ensure you submit the following documents):

### THE FOLLOWING DOCUMENTS ARE REQUIRED:

- Copy of latest school report/semester results
