2. Projects for Master's Research for the 2026 Academic Year – For Freestanding Master's Scholarships

- 2.1. SARAO will ONLY consider applications from students who have selected a research project that has been approved by SARAO for Master's research in 2026, and who upload a signed letter from the relevant supervisor stating that he/she will supervise the student.

- 2.2. All projects approved by SARAO for postgraduate research for 2026, as well as the contact details of the relevant supervisors, are available at: <https://www.sarao.ac.za/researchandstudy/masters-scholarships/>
- 2.3. Prior to submitting an application for a SARAO freestanding Master's scholarship, you must review the list of approved Master's research projects for 2026, and identify a project you wish to pursue for your Master's degree.
- 2.4. Once you have identified a project, you must then contact the supervisor of the project to discuss the project, and determine if you have the required qualifications, skills and abilities to undertake the project.
- 2.5. If the supervisor of the approved project agrees to supervise you for your Master's degree, the supervisor must provide you with a signed letter, on a university letterhead, stating that he/she has agreed to supervise you for the relevant project. You **MUST** upload a copy of this letter with your application, as an attachment. SARAO will NOT consider an application if there is no supervision-agreement letter – See Section 4.
- 2.6. You must use the details of the research project, as provided on the SARAO website, to complete the "Research Project Information Section" of the application form.
- 2.7. If you are awarded a SARAO freestanding Master's scholarship, you will have to register at the university where the supervisor of the research project is based, and undertake your degree at that university.

Note: Supervisors are under no obligation to agree to supervise a student
