UP 2022 – 2026 Strategic Plan: Destination 2026 and Beyond

1 June 2022
17:30 - 19:00

VC's student roadshows: Destination 2026 and Beyond

Dear UP students,

Professor Tawana Kupe, the University of Pretoria's Vice-Chancellor and Principal, cordially invites you to attend a presentation of the institution's strategic plan, **Destination 2026 and Beyond**.

During this session, Prof Kupe will elaborate on the plan, which is in line with the University's objective of becoming a future-focused, transdisciplinary, global African institution.

You may attend the in-person session at the Amphitheatre on Hatfield campus or participate online.

The session will take place on:
Wednesday, 1 June, 17:30 – 19:00

Online attendees will be able to post questions in the 'ask live questions' tab, which the VC will answer at the end of the presentation. Don't miss this opportunity to interact with the VC and pose questions directly to him and the University leadership team.

The VC hopes to see you there!
