

Telkom

UP students can now use the Telkom internet service, free of charge, for unlimited access to clickUP and the UP website.

Those who need to make use of this service can collect a sim card from the booth at the Lunnon Gate of the Hatfield campus, between 09:00 and 15:00 from Wednesday, 19 October. Students will need to bring with them their student cards and ID books. Students who have been allowed on to the Hatfield Campus may collect the sim card from Room 3-78 in the Technical Services Building.
