SDG Public Lecture Series

You are cordially invited to a public lecture and discussion on **28 May 2019** at **Future Africa** themed

Will climate change action enhance or undermine the 2030 Agenda and national developmental objectives in South Africa?

The discussion is aimed at **bringing awareness to the relevance of SDG 13** within the broader 2030 Agenda framework **and the form of climate change action being taken by various groups within South Africa.**

Professor Francois Engelbrecht (University of the Witwatersrand) will deliver the keynote address. Professor Engelbrecht is an eminent expert in climate model development and will share insights on African climate change futures.

PROGRAMME

17:45: Welcome | **17:50:** Keynote address: Climate Change Adaptation/Mitigation Scenarios for South Africa | **18:10:** Panel discussion with panellists representing business, civil society, government and labour and Q&A | **19:25** Final remarks | **19:30** Closing

DATE: 28 May 2019

TIME: 17:30-19:30
