TO WHOM IT MAY CONCERN

One of your employees is applying for the Master of Information Technology (MIT ICT Management) degree in 2024 at the University of Pretoria.

The purpose of this degree is to provide the graduate with the knowledge and skills to manage and lead information technology-related activities in an organisation in strategic, operational and project environments.

Please indicate the following on your company's letterhead:

1. Your impression of the potential/capability of the employee to successfully complete the above-mentioned degree.
2. Classes are offered once per month on a Friday. Will the employee be able to attend these compulsory classes, with or without taking leave?
3. Do you, as the employer, support this application?

Kindly e-mail the letter to: mitA@up.ac.za not later than **30 September 2023**.

Please note that the employer letter must also be uploaded on the application system by the applicant.

Thank you and regards,
