

Department of Chemistry

Departmental Seminar Series: Chemistry Education

You are cordially invited to a face-to-face lecture presented by

Dr Kgadi Mathabathe

Date: Friday, 17 November 2023
Time: 11:00 (Note slightly earlier time to accommodate Dean's Townhall)
Venue: The Orbital (Room 3-1 Chemistry Building)

From the Familiar to the Abstract: Exploration of Process Oriented Guided Inquiry Learning (POGIL) as a turnaround teaching strategy for chemistry tutorials
