

The South African Statistical Association  
(SASA) Education Committee

**2020 SASA Honours Bursary and Scholarship Competition, sponsored by SAS and SASA**

It is with great excitement that the SASA Education Committee hereby announces the 2020 SASA Honours Bursary and Scholarship Competition. This competition is open to all current 3<sup>rd</sup> year Statistics/Mathematical Statistics students who are planning to enrol for an honours degree in Statistics/Mathematical Statistics at a South African university in 2021.

Three awards will be made:

- a bursary of R20 000 sponsored by SAS, based on academic merit to a student who can demonstrate financial need, only available to students from SAS accredited universities,
- one bursary and one scholarship of R13 000 each - sponsored by ICCSSA and SASA - one to an academically deserving student who can demonstrate financial need and one based purely on academic merit.

The application forms are available on the SASA website (<https://www.sastat.org>).

The SASA Education Committee will handle the adjudication process. The judges' decision will be final and there will be no correspondence regarding the decision.

The deadline for applications is **8 January 2021** but we would prefer entries as soon as possible. Academic records of final results must be submitted **before Friday 8 January 2021**.
