

SAS Institute (Pty) Ltd South Africa 2024 SAS Graduate Academy

2024 Graduate Internship Program Customer Advisory, Consulting, Sales & Marketing and Human Resources.

Are you a problem solver, explorer, and knowledge seeker – always asking, “What if?”

If so, then you may be the new team member we’re looking for. Because at SAS, your curiosity matters – whether you’re developing algorithms, creating customer experiences or answering critical questions. Curiosity is our code, and the opportunities here are endless.

SAS provides internship opportunities for you to expand your professional network, be mentored by experts in your field, apply your skills to solve actual business problems, and get paid while doing it. Learn from the best minds in the business and set yourself apart in a competitive job market.

What we do

We’re the leader in analytics. Through our software and services, we inspire customers around the world to transform data into intelligence. Our curiosity fuels innovation, pushing boundaries, challenging the status quo and changing the way we live.

What you’ll do

We’re looking for recent university graduates that are excited about building their skillsets further. These positions are a 12-month, full-time internship opportunity based in Johannesburg, South Africa. This is a paid experience where interns will be part of a dynamic team within a cutting-edge technology organization. You will receive soft-skills training and work on real-world projects that help you get higher mileage from your classroom education. You will also network with fellow students and experts in your field. We are excited for interns to be immersed into our award-winning culture.

What we’re looking for

- Honours or Masters Degree in a related field including:
 - **Consulting / Customer Advisory** – Data Science, Risk, Actuarial Sciences, Statistics, Analytics, Engineering, Computer Science, Information Systems, or Economics.
 - **Sales and Marketing** – Mathematics, Statistics, Econometrics, Analytics, Business Management, Marketing Management, Digital Marketing or Brand management.
 - **Human Resources** – Human Resources or Industrial Psychology
- Ability to join the Internship on February 1, 2024 for a 12-month program.
- South African Citizen with valid SA ID.
- English Language: fluent in reading, writing and speaking.

Program starts on 1st February 2024

SAS Institute (Pty) Ltd South Africa 2024 SAS Graduate Academy

- Applicants must have no significant previous work experience and **must not have** participated in previous graduate or internship programmes.

You're curious, passionate, authentic and accountable. These are our values and influence everything we do.

Other knowledge, skills, and abilities

- Excellent communication, analytical, problem solving and interpersonal skills.
- Ability to learn and work independently, and as part of a team.
- Reliable, flexible and highly pro-active.
- Self-motivated and be able to work under pressure.

Why SAS

We love living the #SASlife and believe that happy, healthy people have a passion for life, and bring that energy to work. No matter what your specialty or where you are in the world, your unique contributions will make a difference. Our multi-dimensional culture blends our different backgrounds, experiences, and perspectives. Here, it isn't about fitting into our culture, it's about adding to it - and we can't wait to see what you'll bring.

Additional Information:

Recruitment will be managed line with SAS' affirmative action measures in accordance with the Employment Equity Act and as such candidates from designated groups will be preferred.
