Re: Master's and PhD bursaries for 2017 (in any subject discipline through medium of Afrikaans)

The SA Akademie will make a limited number of bursaries available for 2017 to be granted for Master's and PhD study in any subject discipline (humanities or natural sciences). The outcome of the relevant study (thesis or dissertation) **must be in Afrikaans**. Preference will be given to candidates who are full-time students. However, part-time students are not excluded. The application forms and more details are available on the web page of the SA Akademie (www.akademie.co.za)

The closing date for the applications is 31 August 2016 and the results will be announced in the first week of December 2016. The requirements are, among others:

1. An approved, well-edited research proposal.
2. The recommendation of a supervisor/study promoter.
3. A preliminary registration document (where applicable).
