LSG 780 - Part 2: Research report

CDD 710 - Curriculum development

JGS 730 - Early intervention and numeracy and literacy

FUTURE OF B.ED HONS

- This programme prepares you for research
- You will be doing a mini research – made up of 3 assignments and then your final submission
- Each student will present their study to a panel regarding their research study and findings
- This is a good grounding for your M.Ed programme

FULL TIME or PART TIME STUDIES

- Full time – one year – attend classes every Fridays – you need to consult your time-table and the dates of classes
- Classes are often held for some modules on alternative Fridays.
- **DISTANCE EDUCATION**
- You can study through distance education also.
- You will do the same modules

SUCCESS
