Do you want to participate in research that will help us to navigate the rapidly changing world of the 21st century? *

Q+ARCH online

If you are eager to undertake postgraduate research studies within the built environment you may be interested in attending our annual Q+ARCH ONLINE information session which deals with **POSTGRADUATE RESEARCH PROGRAMMES**

WHEN? 12:00–13:00 on Saturday 3 July 2021

WHO? Researchers, graduates and practitioners in architecture, interior architecture, landscape architecture and the related spatial disciplines who are interested in commencing, or expanding, research studies at honours, master's or doctoral levels are welcome to attend this session.

HOW? The live session will be hosted on the University of Pretoria's online Blackboard Ultra platform. It will cover information about the Department of Architecture and our postgraduate research programmes in architecture, interior architecture and landscape architecture, our seven research focus areas, how to apply to these programmes, as well as a Q+A segment.

HOW CAN I REGISTER TO ATTEND? Attendance is free but prior registration is required. You can register online at <http://bit.ly/QArchOnlinePRPS4> and will later receive a session link and other relevant information via email.

WHICH POSTGRADUATE RESEARCH PROGRAMMES WILL BE DISCUSSED DURING THIS SESSION?

NQF level 10: PhD programmes in Architecture, Interior Architecture and Landscape Architecture

NQF level 9: Master's by Research programmes in Architecture, Interior Architecture and Landscape Architecture
MSc Applied Science in Architecture (coursework programme)

NQF level 8: BSc Honours (Applied Science) in Architecture (coursework programme)

WHERE CAN I FIND MORE INFORMATION? Please direct all enquiries to arch@up.ac.za.

Did you know that the Department of Architecture at the University of Pretoria offers eight research programmes at honours, master's and doctoral levels and has seven active areas of research focus?
