

BSc (Hons) Pharmacology Clinical Trial Track

*Are you interested to pursue a BSc (Hons) Pharmacology degree,
with special focus on clinical trials?*

*We would like to offer you the opportunity to explore this program
in a structured manner, to enable you to make an informed
decision about your future postgraduate studies.*

Step 1: “Let’s start on the same page together”

- It is important to orientate yourself on the differences are between Clinical Trial Research and Clinical Practice
- In order to prepare you for Step 2, you are invited to complete a short online module, free of charge, on **Clinical Practice vs. Clinical Trial Research**, hosted by the [Society for Clinical Research Sites \(SCRS\)](#).
 - **Steps to follow on how to access the Site Management online modules:**
 1. Open your Internet browser (Chrome, Firefox, Internet Explorer, Safari) and go to the website: www.myscrs.org
 2. From the menu tabs, select **LEARNING CAMPUS**, then from the dropdown menu select **SITE MANAGEMENT MODULES**
 3. Complete the registration form for access to the *Site Management Modules*
 4. Select and complete the module: **Clinical Practice vs. Clinical Research**
 - At the end of the module, you will have the opportunity to download a **certificate of completion** – this will be your entry ticket for **Step 2**.

Step 2: “Shadowing Opportunity” @ Clinical Research Unit

- **Submit your certificate of completion** to the Clinical Research Unit via our [online form](#) in order to book your shadowing opportunity at the site.
