A limited number of positions (4-year or 5 year fixed-term contracts, depending on discipline) are available for Registrars in selected disciplines, for the January 2017 intake at the following Faculties of Health Sciences:

University of Cape Town (Ref. WNCUCT-0916-001-01)
University of the Free State (Ref. FNWUFS-0916-001-01)
University of KwaZulu-Natal (Ref. KZNUKZN-0916-001-01)
Sefako Makgatho Health Sciences University (Ref. GAUMED-0916-001-01)
University of Pretoria (Ref. GAUUP-0916-001-01)
University of Stellenbosch (Ref. WNCUS-0916-001-01)
University of the Witwatersrand (Ref. GAUWITS-0916-001-01)
Walter Sisulu University (Ref. ECWSU-0916-001-01)

The individuals will undergo specialist training in one of the following disciplines: • Anatomical Pathology • Chemical Pathology • Clinical Pathology • Haematology • Medical Microbiology and Medical Virology. During this period, the candidates will be expected, amongst others, to undertake duties in various areas and teach undergraduate medical students.

Successful candidates will be remunerated in line with the DPSA Salary for Junior Registrars. Year 1 of the DPSA Scale for the 2016/17 Financial Year is a guaranteed remuneration of R686 322.00 and a commuted overtime amount of R253 939.00.

Requirements: ■ An MBChB/MBBCh degree for all disciplines. Registration with HPCSA as a Medical Practitioner (Independent practice).

Please note: Should the applicant be successful in completing his/her complete set of requirements for registration as a specialist with the HPCSA, the employee will be expected to continue to work for the NHLS as a Specialist Pathologist for a period of 2 years following Specialist registration, as per the Registrar Contract.

Interested persons who meet the requirements are invited to send their (1) concise CV, (2) ID, (3) qualification(s), (4) academic transcripts and (5) compulsory minimum of 2 confidential relevant professional references (submitted directly by the referee to the NHLS) prior to the closing date for applications to the National Recruitment and Selection Department of the NHLS via email: Aargahr@nhls.ac.za, or via the Careers page; www.nhls.ac.za. Please indicate the reference number of the post. Please also indicate your preferences in terms of the university (to a maximum of 3) and discipline (to a maximum of 2) upon application (if applicable).

Applicants are encouraged to visit the university’s website for more information on the discipline and the specific university requirements, and to proactively engage with the Head of Academic Departments to gain a proper understanding of the Department/ Division and to arrange for proactive visits to the Department/ Division where possible.

Applicants must ensure their applications have been received. Due to inherent job and operational requirements, the applicable pre-employment screening and qualification verifications will be performed on short-listed candidates. Correspondence will be limited to short-listed candidates only. If you have not heard from the NHLS within 2 months of the closing date, please accept that your application was unsuccessful.

Please note that the interview process may include a basket of assessments, including aptitude, psychometric and other assessments.

Enquiries can be directed to the Human resources Administrator: Ms. Mathapelo Dlamini on, tel. (011) 386-6099
The NHLS is an equal opportunity, affirmative action employer. The NHLS Employment Equity targets will guide the filling of positions.
