## Certified Associate in Project Management Preparation (CAPM®)

Presented by the Graduate School of Technology Management, University of Pretoria

### Learning outcomes

After successfully completing the course, you will be prepared to write the CAPM® exam with a discernible knowledge of all the project management knowledge areas.

Information on how to apply for and write the CAPM® exam will also be provided. You will receive numerous practice exam questions per knowledge area and the course will culminate in the candidates writing a mock CAPM® exam to test their newly acquired knowledge.

*This course provides the 23 hours of project management education required to write the exam.*

### Who should enrol?

This course is ideal for anyone who has had some exposure to project management. Professionals who would like to manage larger projects, gain more responsibility or add project management skills to their current role should consider attending the course.

### Course fees

#### Online: R6 800.00 per delegate (VAT incl.)

Online fees do not include the PMBOK® guide (6th Edition).

#### Contact sessions: R12 609.64 per delegate (VAT incl.)

Contact session fees include all study material, the latest copy of the PMBOK® guide (6th Edition), and refreshments.

**Course fees must be paid in full 14 days prior to course start dates. Proof of payment can be submitted to [enrolments@enterprises.up.ac.za](mailto:enrolments@enterprises.up.ac.za)**

### Admission requirements

The course has no prerequisites. In order to be eligible to write the exam and gain certification as a certified CAPM®, a Grade 12 certificate or the global equivalent, and 1 500 hours of project experience or 23 hours of project management education (PPM or equivalent) should be completed for admission to write the exam.

### Accreditation and certification

Enterprises University of Pretoria (Pty) Ltd is wholly owned by the University of Pretoria. As a public higher education institution, the University of Pretoria functions in accordance

with the Higher Education Act 101 of 1997. Enterprises University of Pretoria offers short courses on behalf of the University and these short courses are not credit-bearing, and do not lead to formal qualifications on the National Qualifications Framework (NQF) – unless stated otherwise. Delegates who successfully complete a short course and comply with the related assessment criteria (where applicable) are awarded certificates of successful completion and/or attendance by the University of Pretoria.

#### Course presenter

Dr Taryn Bond-Barnard  
Senior Lecturer  
Graduate School of Technology Management  
Email: [taryn.barnard@up.ac.za](mailto:taryn.barnard@up.ac.za)

Taryn obtained a B.Eng Industrial Engineering degree and an M.Eng degree in Project Management, both with distinction, from the University of Pretoria. She went on to complete her PhD in Engineering at the same University in February 2015. Taryn is a certified Project Management Professional (PMP) and a professional engineer. Taryn has worked as an engineer, operations manager and project manager from 2008 to 2015. She has extensive experience in process engineering and business analysis in the information and communications technology industry. Taryn has been involved in project management for a number of years and has managed a variety of software development and business process improvement projects both in the public and private sector. Taryn teaches IT and services project management as part of the only master's programme on the African Continent that is accredited by the GAC (Global Accreditation Center) of the PMI (Project Management Institute). She has also been teaching project management at honours level, since 2014.
