

**MOT**

**FOR THE WORLD OF THE FUTURE**

**ABOUT IAMOT**

IAMOT is the international organization dedicated to advancing the state-of-the-art in Management of Technology (MOT), Education, Research and Application. IAMOT is a non-governmental, non-profit organization incorporated in 1992 in the State of Florida, USA. Its purpose is to encourage high-quality research and education in the field of MOT. It accomplishes this purpose through various activities including sponsoring international conferences; publishing newsletters/periodicals, conference proceedings, books and special issues of scholarly journals and recognizing academic programs. IAMOT acts as an information exchange hub on teaching and research issues in MOT. The Association has membership from all over the world.

**IAMOT2021 CONFERENCE**

Technology is the main factor that is changing the world as we know it today, the conference aim is to advance and support the practice of MOT for the betterment of our organizations, societies, and future. The conference will bring the most pressing technology related issue for an in-depth analysis, discussion and study to facilitate the transformation of knowledge and exchange of expertise. In this year's 30th International Conference, authors are recommended to address MOT issues related to the World of the Future including Competitiveness, Innovation and Foreseen Changes.
