## Mini-Dissertation Titles - Masters in Project Management 2011-2017

Year Author	Supervisor	Degree	Title Graduate School of Treatmost Graduate School of Graduate School
2011 ALBERTS GA	Steyn JL	MPM	The Relationship between Customer Quality Perception and Maintenance Behaviour: The South African Commercial Vehicle Industry
2011 AMOAH C	Pretorius L	MPM	Correlation between risk management and project performance, a case study of construction systems
2011 BETA B	Sparrius AD	MPM	To investigate whether the strategic procurement of metallurgical chemicals for small scale miners by government in Zimbabwe resulted in increased gold flow to fidelity printers and refiners. 🛙
2011 BOOYENS DE	Du Plessis Y	MPM	Use and Abuse of Power Bases in the Construction Project Management Team
2011 CHIKUNI A	Prinsloo H	MPM	The impact of procurement systems on the outcomes of public projects: the case of Malawi
2011 CHIMBUNDE M	Mugabe JO	MPM	Impact of renewable energy technologies on agricultural productivity in South Africa.
2011 CHUMA DF	Visser JK	MPM	Risk Management process and its effects in Construction Projects: The Case of Consulting firms in Limpopo South Africa
2011 DE JAGER FC	Steyn HdeV	MPM	Organisational Strategic Drivers and Core Competencies Appliedit the SA Mining Sector
2011 HAASBROEK CF	Weeks RV	MPM	A strategic analysis of the concept "servitization": a South African perspective
2011 HUMAN WJ	Steyn HdeV	MPM	Establishing Project Management Guidelines for Successfully Managing Besettlement Projects.
2011 INGUANE JJ	Kachieng'a MO Prof	MPM	Improving infrastructure development and management using ppp case study of the Mozambigue road administration
2011 MAARTENS J (Australië)	Du Plessis Y	MPM	The Millennium Project Manager - managing paradoxes in projects
2011 MAITHUFI CM	Steyn HdeV	MPM	Project Management Maturity in the South African Plastic Recyclingthdustry
2011 MALATJI MS	Steyn HdeV	MPM	Success measures for project close-out: benefits of successful close-out and@onsequences of unsuccessful close-out in the petro-chemical industry
2011 MASARAURE S	Pretorius L	MPM	The effect of risk management on ICT projects – The case of a financial services firm.
2011 MASHEGO EL	Barry ML	MPM	An Exploratory study in identifying the Type of Soft Skills needed by the Project Manager in the Construction Industry in South Africa
2011 MBANGULA E	Weeks RV	MPM	Investigating the relationship between knowledge managementifications and organisational strategic objectives in Namibian@nvironmental agencies
2011 MBHOKOTA SF	De Waal J	MPM	Improving the Project Management Methodology Applied in the South African National Defence Force Products Systems Environment
2011 MLONZI MM	Visser JK	MPM	Optimising sectors prioritising and Allocation of Funds to Programmes
2011 MOHOLI KV	Visser JK	MPM	Springer Steller in Multi-Project Environment
2011 MOSENA ML	Benade SJ	MPM	Investigating the use of Internet by small, medium and micro-enterprises (SMMEs)
2011 MOTAUNG EM	Walwyn DR	MPM	Inter-Courty Comparison to Determine the Relationship between R&D Expenditure, R&D Expertise and R&D Output
2011 MOYO VM	Visser JK	MPM	An Evaluation of Criteria for Investment in Mineral Resource Projects in Zimbabwe: A Risk Management Appraisal
2011 MTEGHA GK	Ellis HJP	MPM	Application of OC to optimise plant reliability: Case study
2011 MTHEMBU GP	Sparrius AD	MPM	Application of roce to optimise plant remainly. Case study Procurement of consulting engineering services by the public sector: CIDB tender evaluations Procurement of consulting engineering services by the public sector: CIDB tender evaluations
2011 MTHEMBO GP	Van Waveren CC	MPM	Proceeding engineering services by the point sector, clob tender evaluations Quality assurance in clinical trials conducted in South Africa throughhomitoring, audits and inspection procedures
2011 MURAMBIVA TM	Barry ML	MPM	Quality assurance in Clinical trans Conducted in South Anno a tinologimioning, adults and inspection processies An Investigation into the relationship between project management maturity and project performance in the telecommunications Industry in Zimbabwe
2011 MURASIKI TG	Bekker MC	MPM	An investigation module relationship between project management fracting period and the relationship between project management fracting on the relationship between project management fracting on the relation of the relationship between project management fracting on the relation of the relationship between project management fracting on the relating on the relati
2011 MUSIYARIRA RC	Weeks RV	MPM	Cinical Review of Project Watagement Practice on Winesamappioration Projects in National
2011 MWENJE R	Steyn HdeV	MPM	Determination or key strategic raction growing on Homologian measured and and an index registration of project management principles by emerging contractors: A multiple-case study
2011 NKOMO LV	Barry ML	MPM	Application of project management principles by emerging conductors. A multiple-case study Determining the effective way of using a lesson learned databasefor future projects: implats Case Study
2011 NWACHUKWU KC	Verhaeghe AE	MPM	Determining the elective way of using a reason learned databasekur future projects: implace case study An approach to assessing sustainability of e-learning platforms inSouth African organisations
2011 PILUSA SST	Benade SJ	MPM	An approach to assessing sustaination of elerating platforms insouth Anter organisations Investigating the implementation of 15/17 Benefits Realisation/Management in South Africa Investigating the implementation of 15/17 Benefits Realisation/Management in South Africa
2011 PRETORIUS S	Steyn HdeV	MPM	Investigating the implementation of syst elements Realisationimanagement in source and the Built Environment: An African perspective.
2011 RAMAGOMA NC	Barry ML	MPM	Project waragement soccess versus Project waragement watching in contenting and the ball chivit miniment. An Anicar perspective. Risk and Stakeholder Management in the South AfricanBonstruction Industry
2011 KAWAGOWA NC 2011 SHURO F	Bekker MC	MPM	Ask and stakeholder Management in the South Annandons duction industry Causes of project delays: the case of Multotes samplers division
	Stevn HdeV	MPM	
			Impact of training and project management experience factors on acceptance and Bsage of Project Management Information Systems
2011 TRICAMEGY M	Steyn HdeV	MPM	Causes of delay in groundwater projects in Mozambique
2011 VAN DEN BERG GPJ	Bekker MC Dr	MPM	Project human resource constraints in the Sastech environment
2011 ZEMURA E	Mugabe JO Prof	MPM	Technological innovation for environmental sustainability in Southäfrican collieries
2012 ABRAHAM Y	Brent AC	MPM	Technology transfer of hand pumps in rural communities of Swaziland: Towards sustainable project lifecycle management
2012 AUTHAR A	Bekker MC	MPM	The evaluation of the scope management process and its impact on project outcome of a large scale Sugar Mill Project®
2012 BINNEMAN B	Steyn HdeV	MPM	Criteria for selection and gate reviews of technology innovation projects
2012 BOONZAAIER JH	Brent AC	MPM	The South African deteriorating water resource dilemma assessment of management approach performances
2012 BOTHA CJ	Heunis C	MPM	The impact of low level of trust on project success at Dorsfontein coal mine  b totage the device of
2012 BREED MF	Kruger LLSJ	MPM	Relationship between personal risk inclination and accidents
2012 BROOKS CR	Pretorius L	MPM	Investigating New Product Development in a South African Defenceänd Security Company
2012 CHETTY M	Barry ML	MPM	Challenges facing South African organisations in the@ostruction industry to achieve portfolio management efficiency
2012 CHIBIRA E	Pretorius L	MPM	The Impact of Project Risk Management on successful delivery of projects in the South African Construction Industry
2012 CHIKAVHANGA R	Pretorius L	MPM	Front-End Planning for Large Capital Projects – A Study of South African Companies
2012 CHIROMBE ET	Van Waveren CC	MPM	Investigation of the correlation between application of ProjectIManagement Methodology and projects success in a multinational@ement manufacturing organisation
2012 DEYZEL LS	Bekker MC	MPM	The impact of iso 21500 on the project management@ethodology of an iso 9001 certified engineering@onsulting organisation in South Africa®
2012 DLAMINI SSK	Jansen Riaan	MPM	The influence of the procurement method on project performance in Swaziland
2012 DU RANDT FJ	Van Waveren CC	MPM	An empirical study on the critical success factors of small to medium sized projects in a South African mining company: Exxaro Grootegeluk Coal Case Study
2012 DZINOTYIWEYI C	Pretorius L	MPM	The effect of project risk management on achieving organisational goals at an ICT Research and Development Operating Unit of a National Research Council
2012 FOURIE S	Hoffman D	MPM	Competitive Fee Tendering for Quantity Surveying Services inSouth Africa
2012 GOVENDER Y	Bekker MC	MPM	Project Governance within engineering projects at Vodacom SA
2012 KAMANGA MJ	Steyn W	MPM	Causes of delay in road construction projects in Malawi
2012 KAMUNYU AM	Pretorius L	MPM	The Value of Procurement Risk Management in Public Sector®onstruction Works
