

Mini-Dissertation Titles - Masters in Project Management 2018 - 2023

Year	Author	Supervisor	Degree	Title
2023	Raiman T	Barnard T Dr	MPM	Risk drivers of inadequate communication in South African virtual project teams
2023	Beneke L	Barnard T Dr	MPM	An empirical verification of the effect of communication excellence on the level of trust and on the degree of collaboration in project teams
2023	Nienaber JA	Bekker MC Prof	MPM	A review of contract variation verification processes in state-owned enterprises (SOEs)
2023	Ngakane M	Chitongo A	MPM	Virtual project team performance I the South African engineering consulting industry during the Covid 19 pandemic lockdown
2023	Mothowamodimo WO	Pretorius L Prof	MPM	Stakeholder expectations and perceptions of the role of the Project Management Office in Local Government: a case study
2023	Marakalla MM	Chikwanda H Prof	MPM	Infrastructure Asset Management (IAM): Addressing the operations and maintenance challenges affecting large dams in contemporary South Africa
2023	Johnny WN	Oosthuizen R Prof	MPM	Applying a Systems Thinking-based Project Management Approach to Manage Complex Projects
2023	Nkosi TN	Babatunde O Dr	MPM	Reskilling mid-career project managers in artificial intelligence in South Africa
2023	Duvenhage TJ	Grobbelaar S Dr	MPM	Develop an Enterprise Risk Management (ERM) model to include Project Risk Management, Case Study: Consulting Engineering, Windhoek Namibia
2023	Letsoalo LC	Grobbelaar S Dr	MPM	A study on the preferred view of risk as an opportunity and/or threat in organisations
2023	Boucher T	Pretorius S Dr	MPM	The influene of knowledge management maturity on perceived project success in a Petrochemical Organisation. A Case Study of two large Capital Projects
2023	Mohlapiso MPM	Pretorius S Dr	MPM	The impact of organisational project management maturity on project success - A Case Study of the Lesotho Water Sector
2023	Dreyer AB	Tshuma B Dr	MPM	The effectiveness of the project management qualification criteria used in registering professional construction project managers in South Africa
2023	Maharaj EN	Tshuma B Dr	MPM	Construction project manager qualification as a project management performance factor
2023	Schoeman M	Bekker M Prof	MPM	Managing project lessons learned within the City of Cape Town Metropolitan Municipality
2023	Mqayi N	Barnard T Prof	MPM	Types of Heuristics and Biases in the South African Railway Project Management Environment
2023	Pillay P	Barnard T Prof	MPM	Agile project management beyond software: An exploratory study
2023	Peer A	Steyn H Prof	MPM	Collaborative Contracting: Barriers to adoption in the South African Construction Industry
2023	Ramlall R	Grobbelaar S Dr	MPM	Deficiencies in the traditional budgeting process cause the negative behaviour of budgetary slacking
2023	De Kock CEQ	Pretorius L Prof	MPM	The assessment of maintenance management practices in public ordinary schools in Buffalo City Metropolitan District
2023	Siwisa A	Visser JK Prof	MPM	An analysis of the asset maintenance management framework in the South African metal industry
2023	Makhubele NA	Amadi-Echendu JE Prof	MPM	Condition assessment of track components
2023	Netshilungwi A	Amadi-Echendu JE Prof	MPM	An investigation into adaptive reuse or re-purposing of buildings: A case study of Kimberley
2023	Pachena HT	Chitongo MA Dr	MPM	Impact of work from home on business performance, and the moderating role of human resource management: Johannesburg Stock Exchange-listed financial services companies
2023	Hassan FS	Grobbelaar S Dr	MPM	Barriers and Enablers of engineered wood products in the global construction industry: A focus on Timber Construction in South Africa
2022	Radali R	Ramashala P Ms	MPM	The impact of internal environment factors and project complexities on project success factors
2022	Van Vuuren D	Visser JK Prof	MPM	To what extent has implementing an ERP system benefited maintenance work management
2022	Bhembe MH	Pretorius L Prof	MPM	An Investigation into the Effectiveness of the Risk Management Analysis Methods within the South African Construction Industry
2022	Tladi T	Thopil G Dr	MPM	Sustainable Energy Management: Formulation and evaluation of energy consumption reduction strategies in the South African mining industry
2022	Vermaak F	Erasmus LD Dr	MPM	A systems engineering and management approach to establishing a fleet management system in an underground ug2 board and pillar platinum mine in South Africa
2022	Selepe M	Amadi-Echendu JE Prof	MPM	Analysis of Crusher Energy Efficiency Based on Ore Quality Variabilities
2022	Temo TC	Pretorius L Prof	MPM	The impact of capital projects implementation on the ability of the South African energy sector to deliver adequate electricity
2022	Magwadere K	Thopil G Dr	MPM	Application of Statistical Approaches and Economic Metrics in Assessing Sustainability of Sanitary Measures in Animal Protein Food System Projects
2022	Robbertze FdP	Chudy MC	MPM	Determine the feasibility of a load aggregation framework with the focus on hot water boilers in South Africa.
2022	Rooi BEV	Pretorius L Prof	MPM	Benefits realisation management and its influence on project portfolio success
2022	Kamowatimwa CYS	Pretorius L Prof	MPM	Project Risk Management in Construction Projects in the Irrigation Sector in Malawi: the case of the Department of Irrigation
2022	Israel T	Barnard T Dr	MPM	Transitioning to Virtual Teams in a Digitally Divided Environment: A Case Study of the South African Platinum Industry
2022	Masemola MP	Chikwanda H Prof	MPM	Factors that influence operational performance of a state-owned petroleum pipeline company in South Africa
2022	Horonga JZ	Bekker MC Prof	MPM	Main factors causing project failure in the railway construction industry: The case of RIMCC Railway Industry Maintenance and Construction Company
2022	Bezuidenhout AH	Steyn H Prof	MPM	Crucial Project Management Office Support Functions at Various Organisational Project Management Maturity Levels – Case Study of a South African Petrochemical Company
2022	Kgaphola VM	Van Waveren CC Dr	MPM	The Impact of Knowledge Transfer Success on Project Activities in Project-Based Organisations
2022	Kandolo TM	Barnard T Dr	MPM	Framework for mentoring students virtually or face-to-face during project management community-based projects
2022	Thwala MP	Visser JK Prof	MPM	Factors that contribute to failure of construction projects
2022	Mokhadi LT	Chikwanda H Prof	MPM	Factors leading to lean and six sigma application within the freight railway supplier base in South Africa
2022	Mathibela UT	Van Waveren CC Dr	MPM	Human Aspects of Project Management: Assessing the Effect of Communication Competency of a Consulting Engineering Project Manager in a Hybrid Project Environment
2022	Letsolao MD	Bekker MC Prof	MPM	The impact of utilising drones on construction sites
2022	Mokaila N	Bekker MC Prof	MPM	Critical Review of the Project Management Office Functions and Roles in the City of Tshwane Metropolitan Municipality
2022	Prinsloo DJ	Bekker MC Prof	MPM	BIM Adoption & Implementation Trends In The SA AEC Industry
2022	Baloyi SJ	Van Waveren CC Dr	MPM	Determinants of knowledge transfer success in R&D projects
2022	Rasetlola NM	Walwyn D Prof	MPM	Capability and Policy Development to Support the Wheeling of Renewable Energy by South African Local Authorities
2022	Gighileanu M	Chan A Prof	MPM	The effect of Multiple Team Membership variety of tasks on coordination of work: A case within the training and development sector in South Africa

2022	Jairam KK	Naude R	MPM	The Application of Big Data Analytics as a Differentiator for Telecommunications Operators in South Africa
2022	Da Costa DF	Botha AP Dr	MPM	Innovating digitally for services: Investigating the implementation of the digital innovation process in the South African Hospitality Industry
2022	Lekarapa KM	Grobbelaar S Dr	MPM	The Evaluation of Budgeting Techniques for the Preservation of Heritage Buildings
2022	Lalloo C	De Klerk A Prof	MPM	Product development at a South African lighting manufacturer
2022	Siyaya LW	De Klerk A Prof	MPM	Mine Closure Risks for Underground Collieries in South Africa
2021	Phiri HG	Tshuma B	MPM	Knowledge transfer in PMCFs without Project Management Offices: A qualitative study on Project Management Consulting Firms (PMCFs) in the built environment
2021	Monyane DV	Pretorius S Dr	MPM	Examining factors influencing Project Managers' leadership style and project success: Case of Eskom South Africa
2021	Moodley T	Bekker MC Prof	MPM	The impact of the procurement process on refurbishment project performance at Eskom
2021	Nkungwana CV	Barnard T Dr	MPM	Project mentoring, an effective method for project management skills transfer
2021	Moleme TA	Grobbelaar S Dr	MPM	An evaluation of the link between Project Management maturity levels of South African Universities and their delivery and management of infrastructure
2021	Kunene MJ	Murambiwa T Dr	MPM	The role of project governance and project benefits management on project success in the built environment in Eswatini
2021	Apollus JD	Barnard T Dr	MPM	Determining the factors that influence creativity in mining projects
2021	Drake S	Bekker MC Prof	MPM	Core comparison for large capital project steering committees
2021	Viljoen H	Bekker MC Prof	MPM	Review of procurement and payment conditions of built environment professionals
2021	Monyane DV	Pretorius S Dr	MPM	Examining factors influencing project manager's leadership style and project success: case of Eskom South Africa
2021	Eybers I	Barnard T Dr	MPM	Engineering Project Management Education: How are we doing?
2021	Espach J	Bekker MC Prof	MPM	The impact of the relational charter on the principal-agent relationship
2021	Van Niekerk D	Bekker MC Prof	MPM	Evaluating modelling methods for mobile crane lifting operations in South Africa
2021	Ketshabile E	Staphorst L	MPM	Impact of intellectual property (IP) management on organizational performance of small micro and medium enterprises (SME) in the SA aerospace and defence industry
2021	Madima NE	Barnard T Dr	MPM	Understanding the role and impact of mentoring on community-based projects in Mamelodi, South Africa
2021	Jojwana LL	Bekker MC Prof	MPM	A critical review of the project governance framework at the Gauteng Department of Roads and Transport
2021	Meiring M	Bekker MC Prof	MPM	Barriers to implementing BIM in the South African facility management industry
2021	Luxomo NS	Steyn H Prof	MPM	Strategy implementation using project portfolio management: A case of a South African Petrochemical Company
2021	Smit W	Engelbrecht A	MPM	Project control and the influence it has on the success of projects
2021	Malele SK	Barnard T Dr	MPM	Development of effective project management skills and knowledge-transfer model for students using a community-based service project
2021	Kitchen Master NSK	Bekker MC Prof	MPM	A leading indicator analysis: Factors for capital project failure in the South African mining industry
2021	Trentelman TR	Meyer WG	MPM	Quantitative portfolio management using a systems engineering approach
2021	Naidu G	Tshuma B	MPM	The impact of knowledge transfer to project success in power station maintenance projects
2021	Mokwena PM	Barnard T Dr	MPM	Investigating the contribution of organisational structure and culture factors in the adoption of Agile methodology in the financial institution
2021	Lehener Junior PMM	Pretorius S Dr	MPM	Leading design projects and teams remotely
2021	Jordaan MAE	Pretorius S Dr	MPM	The impact of the 4th Industrial Revolution on project management styles in the construction industry
2021	Ntshabele V	Barnard T Dr	MPM	The influence of organisational culture on tacit knowledge sharing behaviour: a case of Anglo American Coal
2021	Mokubanye EM	Kruger LLSJ	MPM	Managing innovation in building projects: Investigating the factors that affect innovation management in building projects in South Africa
2021	Mametja ZR	Van Waveren CC Mr	MPM	The organizational factors that influence the successful implementation of knowledge transfer in projects: A case of Kusile Power Station Project
2021	Ramlobe TM	Van Waveren CC Mr	MPM	Criteria for a successful mentorship programme within a research and design environment
2021	Marime P	Van Waveren CC Mr	MPM	Measuring success level of tacit knowledge transfer of Rwandan construction projects
2021	Reddy M	Van Waveren CC Mr	MPM	The influence of knowledge management in the project environment: a case study within engineering design projects
2021	Moolman RE	Van Waveren CC Mr	MPM	Integrating knowledge management within a project lifecycle: a proposed model for the property development industry
2021	Truter JC	Van Waveren CC Mr	MPM	Knowledge transfer success measured at the transfer mechanism's influence on the relationship between context and impact in project based organisations
2021	Shaanika SNK	Grobbelaar S Dr	MPM	Assessing the adoption of the PRINCE2 project management method in the Namibian public sector
2020	Koadibane TI	Visser JK Prof	MPM	The use of new maintenance management technologies in the South African coal mining industry
2020	Greyvenstein J	Cruywagen H Mr	MPM	The role of a development manager in Property Development
2020	Danisa NC	Thopil G Dr	MPM	Analysis of the South African industrial sector's energy profile: an energy consumption evaluation and system characteristics
2020	Ganyo BT	Lalk J Dr	MPM	A systems perspective on the extent of smart grid implementation in South Africa
2020	Janse van Rensburg A	Amadi-Echendu JE Prof	MPM	An investigation into asset management appraisal and decision making in real estate retail property portfolios
2020	Mabila DO	Thopil G Dr	MPM	Effect of coal emissions in South African coal firing power plants
2020	Molea MC	Chudy MC	MPM	Advanced optimization method of battery storage associated with local power generation in commercial buildings
2020	George J	Lalk J Dr	MPM	The influence of backyard dwellers on the energy consumption of township households
2020	Makaringe NP	Thopil G Dr	MPM	E-waste export from developed to developing countries: a waste management problem
2020	Makhanya SV	Lalk J Dr	MPM	Load forecasting using fuzzy-kalman filtering techniques
2020	Saunders JH	Thopil G Dr	MPM	Sustainable waste management & recycling: exploring the socio-economic effect of waste management practices on "waste pickers" linked to buy-back centres
2020	Bosman GD	Barnard T Dr	MPM	Assessment of project management competencies at a telecommunications operator in South Africa
2020	Coertzen JJ	Barnard T Dr	MPM	Awakening creativity in team members; The role of emotional intelligence in project leaders
2020	Fourie LH	Van Waveren CC Mr	MPM	An analysis of the knowledge transfer paradox in improvement projects on operating mines

2020	Nyathela W	Van Waveren CC Mr	MPM	Why are we still not learning from projects? A petroleum oil and gas of South Africa (PetroSA) project case
2020	Lekalakala L	Barnard T Dr	MPM	Factors influencing individual creativity in projects within a tourism industry
2020	Blom TF	Steyn HdeV Prof	MPM	The key role of project manager competencies on project success - an exploratory study in the case of a utility company
2020	Madlala NS	Van Waveren CC Mr	MPM	The measurement of knowledge transfer success in projects
2020	Pieter RH	Van Waveren CC Mr	MPM	The analysis of the relationship between perceived ease of use and perceived usefulness on the actual use of project knowledge
2020	Molea TP	Barnard T Dr	MPM	Project management skills development through experiential learning and mentoring
2020	Mahole DJ	Van Waveren CC Mr	MPM	Success factors for post-project review facilitation in the local government sector
2020	Smith R	Van Waveren CC Mr	MPM	Evaluation of knowledge management maturity's effect on project management success
2020	Shivute DN	Kruger L Dr	MPM	Capital projects in a functional organisation - a research on the influence of financing practices on capital project cash-flows within a functional organizational structure
2020	Makhura SK	Steyn HdeV Prof	MPM	Time overruns on building projects in conservation and tourism industry in South Africa
2020	Mmachaka SR	Van Waveren CC Mr	MPM	Factors influencing the creativity of team members in IT software development projects
2020	Govindasamy T	Bekker MC Dr	MPM	Lean construction: implementing last planner system on mining projects
2020	Pitso ML	Visser JK Prof	MPM	Assessment of procurement methods used for executing health facilities maintenance works in Lesotho
2020	Khomo KM	Bekker MC Dr	MPM	Delay and cost overruns in water resource infrastructure projects
2020	Mokheithi SJ	Pretorius S Mrs	MPM	Transactional and transformational leadership in project portfolio management
2020	Mapila DT	Bekker MC Dr	MPM	Evaluation of project governance at Botswana state owned enterprises
2020	Monyane DV	Pretorius S Mrs	MPM	Examining factors influencing project manager's leadership style and project success: case of Eskom South Africa
2020	Snyer TV	Visser JK Prof	MPM	Risk management practices for improving project performance: a case into state owned enterprises
2020	Steenkamp D	Bekker MC Dr	MPM	Analysing organisational robustness in the application of project portfolio management
2020	Ndlovu A	Mtyopo MB	MPM	The development of a competence assessment tool for project managers within the PESTLEGE environment in the management consulting sector in South Africa
2020	Lekalakala KR	Tshuma B	MPM	The effectiveness of direct experience and the experience of others in the transfer of tacit knowledge
2020	Moodley TD	Benade S Dr	MPM	Overcoming the barriers of rework reporting in a project environment
2020	Molete ME	Murambiwa T Mr	MPM	The effects of project governance on government investment projects success in Lesotho
2020	Dijerenge M	Pretorius S Mrs	MPM	The influence of the appropriate balance between shared and vertical leadership on project success in the Namibian electricity industry
2020	Subramani KC	Chan A Prof	MPM	The effects of number and variety in geographical location of multiple team membership on team learning and performance and the moderating effects of collaborative technologies
2020	Mntambo SI	Chikwanda H Prof	MPM	The impact of applying theory of constraints on a continuously running concentrator plant
2020	Mnisi MD	Heunis C Dr	MPM	Does a casual relationship exist between project structure and behavioral dynamics? A case study
2020	Swart DA	Chan A Prof	MPM	An empirical study on multiple team membership in projects: The impact of task-switching on individual performance and learning
2020	Yekoladio PJ	Van der Lingen E Prof	MPM	Factors affecting the success of corporate technology entrepreneurs in developing countries
2020	Mathalauga M	Ouma J Prof	MPM	Organisational factors influencing the adoption of technology in South African mining industry - a comparative study between a chrome and platinum mine
2020	Oluwabanwo AJ	De Klerk A Prof	MPM	Risk analysis methods in oil and gas projects in Angola and Nigeria
2020	Voigt R	Joubert E Mr	MPM	Evaluation of the big five personality traits as determinants for knowledge sharing in the South African chemical engineering industry
2019	Ailonga CE	De Klerk A Prof	MPM	A critical analysis of Namibia's Public Procurement legislation framework for the construction industry
2019	Busizi N	Barnard T Dr	MPM	Improving stakeholder involvement in project scope definition at the South African Weather Service
2019	Buthlezi L	Blyth D Mr	MPM	Integration of Systems Engineering Principles into Project Management in the Execution of Petro SA's Capital Projects
2019	Choma RMN	Pretorius S Mrs	MPM	Exploring the effect of leadership in project performance/perceived success in the City of Tshwane Municipality
2019	Chonco T	Walwyn D Prof	MPM	A Cross-Case Comparison of Attitudes towards Water Usage in Western Cape and Gauteng
2019	Ferreira AB	Du Plessis M Mr	MPM	Investigating Universities-Industry collaboration barriers in Southern Africa
2019	Funnell MC	Blyth D Mr	MPM	The use of system engineering tools to identify and strengthen scope statements for consulting engineers tendering in RSA
2019	Gatdet GMM	Bekker MC Dr	MPM	Disaster recovery projects in South Sudan: The case studies of Greater Pioneer and SUDD Petroleum Operating companies (GPOC & SPOC)
2019	Gomo N	Steyn HdeV Prof	MPM	The Role of the Project Management Office in Knowledge Transfer in a Matrix Structured Organisation. A case study of a Southern African Mobile Telecommunications Company
2019	Goneso JF	Pohl F	MPM	Leadership in project and portfolio management: A case of the Zimbabwean Construction Industry
2019	Govender N	Lalk J Dr	MPM	Investigation in the employment potential of the transition to Renewable Energy in South Africa: A focus on direct employment created through the REIPPPP
2019	Haihambo TKN	Thopil G Dr	MPM	The impact of renewable energy on water resources in Namibia
2019	Harmse L	Van Waveren CC Mr	MPM	The Organisations Role in Knowledge Sharing to improve Project Success
2019	Heunis D	Blyth D Mr	MPM	A quantitative analysis of the effect thinking style has on choice of research philosophy
2019	Huisamen E	Crafford A Dr	MPM	Program evaluation of Hydra Arc's internal supervisor training program (HAISTP) to upskill supervisory level staff in the petrochemical manufacturing and maintenance arenas
2019	Jhamba A	Steyn HdeV Prof	MPM	Knowledge transfer across different boundaries in projects environment: A case study of Botswana mining organisation
2019	Kekana TB	Thopil G Dr	MPM	Water Use in Renewables in South Africa
2019	Kitshoff J	Zulch B Prof	MPM	The role of a Project Manager in delivering design-built projects
2019	Le Roux MDC	Bekker MC Dr	MPM	OR Model for Sishen Iron Ore Stay-In-Business Project
2019	Lekhanya LL	Benade S Dr	MPM	The adoption of the system development cycle approach into municipal infrastructure acquisition process to improve end-user involvement
2019	Magaya E	Murambiwa T Mr	MPM	Towards understanding the factors influencing successful implementation of e-government projects in developing countries
2019	Manamela PC	Van Waveren CC Mr	MPM	The development of quality management system readiness framework for laboratory service

2019	Matekane TW	De Klerk A Prof	MPM	Construction Extension of Time Claims
2019	Matowa M	Steyn HdeV Prof	MPM	Barriers to project benefits realisation management: The case of a Zimbabwean Bank
2019	Matswetu MK	Kruger L Dr	MPM	The role of project management offices in effective project management
2019	Mekgwe KK	Steyn HdeV Prof	MPM	The influence of the project sponsor on project success
2019	Mkhize NT	Barnard T Dr	MPM	Linking communication, trust and collaboration in South Africa water sector projects
2019	Mogoe ME	Wall K Prof	MPM	Programme Management in Municipal Projects. The Case of Ngaka Modiri Molema District Municipality
2019	Mokobane KP	Kruger L Dr	MPM	Challenges hindering the performance of small and medium scale construction firms in SA
2019	Mpanza M	Lalk J Dr	MPM	Reliability Improvement Using Battery Energy Storage Systems in a Smart Grid, versus Medium Voltage Network Upgrade
2019	Muller C	Van Waveren CC Mr	MPM	Use of project knowledge: A case study investigating the influences of perceived usefulness and perceived ease to use
2019	Mvambo BK	Steyn HdeV Prof	MPM	The effects of external turbulence on emerging strategy and project portfolio management success - a case study
2019	Naidoo K	Van Waveren CC Mr	MPM	The evolution of knowledge transfer: are yesterdays teachings still valid in current project based organisation
2019	Nemakololwe S	Visser JK Prof	MPM	Estimation and elicitation of probability and consequence values in project risk measurement
2019	Ngcobo XF	Sparrius A Prof	MPM	Assessing extension of time claims in South African public sector projects
2019	Ngwenya B	De Klerk A Prof	MPM	The application of project risk management in IT projects in the Zimbabwean banking sector
2019	Ngwenya N	Grobbelaar S Mr	MPM	Evaluating the impact of project management procedures on the performance of projects in the South African construction industry
