

The South Africa System Dynamics Chapter

11th South African System Dynamics Conference

“Unifying Systems through Collaboration”

16-17 November 2023

For enquiries contact Nalini
Email: Pillayna@Eskom.co.za

Venue: Eskom Research &
Innovation Centre, Rosherville,
Johannesburg, South Africa

(GPS: -26.230253379536673,
28.112145195586393)

South Africa System Dynamics Chapter (SASDC) is hosting our hybrid 11th annual South African System Dynamics Conference to create a networking platform where researchers can present novel work which contributes to systems thinking, system dynamics (theory, methodology or empirics), systems engineering and operations research.

Attendee registration:
<https://systemdynamics.org.za/11th-asdc-registration/>

Day 1 (16th November) will be hybrid and Day 2 (17th November) will be online. Dr Kim Warren will be our keynote speaker on Day 1. Be sure to join us on Day 2 for exciting workshops presented by Dr Andries Botha and Professor Erling Moxnes!

Category	Early Bird Registration	Regular Registration
SASDC Members	R250	R300
Non-SASDC Members	R350	R400
SASDC Student Members	R150	R200
Non-SASDC Student	R200	R250
Virtual	R150	R175

Payments should be made by bank transfer at:
Bank Name: **First National Bank (FNB)**
Account owner: **South Africa System Dynamics Chapter**
Branch code: **230732**
Account number: **63040861402**
Reference: **Your Last Name_2023**
Swift Code for international payments: **FIRNZAJJ**
Payment reference: **11SASDC/name**

Email proof of payment to:
