# Programme in Maintenance Management

Presented by the Graduate School of Technology Management, University of Pretoria

## Learning outcomes

After successfully completing the programme, you will be able to

- develop a maintenance plan for a technical system
- develop a performance management system for maintenance
- apply maintenance approaches to achieve continuous improvement
- apply problem-solving models to maintenance, and
- model reliability and availability of systems

## Who should enrol?

This programme is ideal for you if you are employed as a maintenance manager or supervisor, operations manager, foreman, senior artisan or maintenance planner.

## Programme fees

### **R50 000.00 per delegate (VAT incl.)**

Programme fees include all course material, lunch and refreshments during contact days.

## Admission requirements

Prospective delegates should at least have a National Senior Certificate (Grade 12) and/or a technical qualification or relevant experience.

## Accreditation and certification

Enterprises University of Pretoria (Pty) Ltd is wholly owned by the University of Pretoria. As a public higher education institution, the University of Pretoria functions in accordance to the Higher Education Act 101 of 1997. Enterprises University of Pretoria offers short courses on behalf of the University and these short courses are not credit-bearing, and do not lead to formal qualifications on the National Qualifications Framework (NQF) – unless stated otherwise. Delegates who successfully complete a short course and comply with the related assessment criteria (where applicable) are awarded certificates of successful completion and/or attendance by the University of Pretoria.
